BONANZA SALE'24

REPORT

The PG Department of Interior Design & Décor, in collaboration with the Entrepreneurship Development Cell, hosted "BONANZA SALE'24" from 09.01.2024 to 11.01.2024. Dr. M. Renu inaugurated the event, showcasing student-crafted décor, art, and wall hangings. The 109 Students of Department of interior Design & Décor were split into groups and organised different stalls, in which their handmade arts and crafts were showcased for sales. The collaboration between the Department of Interior Design & Décor and the Entrepreneurship Development Cell for "BONANZA SALE'24" reflects a holistic approach to education. By combining creativity with entrepreneurial skills, students were not only able to showcase their artistic talents but also learn the practical aspects of running a business. The event provided a platform for students to apply classroom knowledge in a real-world setting, fostering innovation and collaboration.

PG DEPARTMENT OF BIOCHEMISTRY

MUSHROOM CULTIVATION WORKSHOP

The PG Department of Biochemistry at Islamiah Women's Arts and Science College organized a one-day workshop on mushroom cultivation on February 20, 2024. The event aimed to educate students on growing mushrooms, their types, and medicinal values. The workshop was inaugurated by **Dr. A. Liyakath Ali**, Associate Professor at Islamiah College (Autonomous), who highlighted the scientific and practical aspects of mushroom cultivation. **Mr. Maria Ruban Dhanaraj**, from the Farmer Cluster Association, Jawadhi Hills, conducted a hands-on session, teaching students sustainable techniques for mushroom farming. A total of 153 Biochemistry students, along with 53 participants from B.Com, Chemistry, B.Com CA, AI, Data Science, Biotechnology, and Zoology, actively took part. They learned about cultivation methods, substrate preparation, and the health benefits of mushrooms. The interactive and practical sessions provided valuable skills to the students. The event concluded successfully, reflecting the college's focus on skill development and sustainable practices.

REPORT OF THE PROGRAM

The Department of Business Administration organized a **three-day workshop on "Statistical Tools for Data Analysis using SPSS"** from **February 14th to 16th, 2024**. The program was conducted **online via Google Meet from 10:00 am to 12:00 pm**. A total of **54** third-year BBA students benefited from the program. The resource person for the program was **Dr. P. Pirakatheeswari, Associate Professor of Commerce (Professional Accounting) at Sri Ramakrishna College of Arts & Science, Coimbatore**. The program was highly interactive, productive, and valuable for the students. On the first day, the resource person disseminated a lot of information about the introduction to research, sampling, and data entry in SPSS in the III BBA classroom. The second and third days featured hands-on training sessions conducted in the EL lab. On the second day, practical sessions on working with Reliability Test and Chi-square test were conducted. On the last day, ideas related to Correlation Analysis, Regression Analysis, and Factor Analysis were shared. The online workshop proved to be a valuable learning experience for participants, equipping them with essential skills for data analysis and interpretation using SPSS software. The hands-on approach, coupled with theoretical insights, enhanced participants' confidence in applying statistical techniques to their research or professional endeavors.

companies and startups. Dr. Renu encouraged students to leverage such opportunities to gain insights and prepare for their future careers.

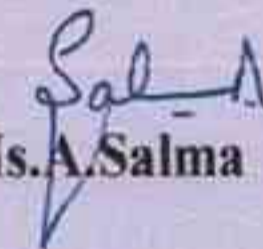

The Chief Guest, Mr. Swastik Pradhan, then took the stage and delivered an engaging and informative address. He shared valuable tips and strategies on how to secure jobs in FAANG (Facebook, Amazon, Apple, Netflix, Google) companies and startups. His insights into the recruitment processes, skill requirements, and industry expectations were particularly enlightening for the students.

The vote of thanks was delivered by Ms. C. Akifa Anjum from III B.Sc (CS), expressing gratitude to Mr. Pradhan, the faculty, and all the participants for making the seminar a success. The event concluded with the National Anthem, fostering a sense of unity and pride among the attendees.

The seminar saw active participation from 44 attendees, all of whom left with a clearer understanding of the steps required to pursue careers in leading tech companies and startups.
