7.2.1. Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual Response:

### BEST PRACTICE I

**TITLE: INSTITUTIONAL ENGAGEMENT IN COMMUNITY DEVELOPMENT**

**OBJECTIVE:** To create awareness about the importance of Humanity through community service, college students are able to gain real-world experience, develop professional skills and improve their sense of well-being.

**CONTEXT:**

This initiative involves organizing various activities such as health camps, Curriculum enrichment for school children, environmental cleanliness drives, and cultural events that engage local residents. By collaborating with community members, students and faculty can apply theoretical knowledge in real-world scenarios, thereby enhancing their learning experience while addressing community needs.

**PRACTICE**

Outreach program encourages students to develop empathy and leadership skills by participating in volunteer services, mentorship initiatives, and skill development workshops for marginalized groups

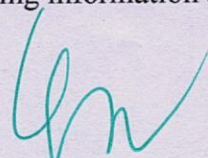

**EVIDENCE OF SUCCESS:**

Various department organized outreach program to school children. Mathematics department taught Basic math to school children with fun. IDD department taught Phonetics, Art and crafts and provided handmade aids. Nutrition Department in order to make students physically strong they taught healthy food practices. Chemistry department Created awareness on Basic chemistry. For holistic development of students and responsibility towards society Biochemistry department of Our College organizes various Medical camps in which our student volunteers to serve the public.

**PROBLEM ENCOUNTERED**

The student volunteers encountered challenges in maintaining the engagement of school students in rural villages, particularly in the aspects of gathering information and reaching out to them.
