FIELD VISIT REPORT

14.06.2022

It sounds like the Commerce Department organized a valuable field visit to **Krishnagiri Dam on June 14th, 2022**. Field trips like these offer commerce students an opportunity to deepen their understanding of various aspects related to commerce by observing the natural environment and its impact on economic activities. With **105** students participating, it must have been an enriching experience for everyone involved. Such initiatives help bridge the gap between theoretical knowledge and real-world applications, fostering a more comprehensive learning experience for students.
