Respected Sir,

Sub: A requisition for the permission to organize an Industrial visit on 17/03/2023 –
reg.....

I would like to inform you sir that the commerce department wishes to organize an Industrial Visit in SIPCOT, Ranipet on 17/03/2023 from 9.30 am. to 1.00 pm. 42 students from III B.Com and 10 students from II B.Com of our department interested to participate in the industrial visit. Also I like to inform you sir that two staff will accompany with the students and Rs. 250 per student will be collected for the Industrial Visit expenses.

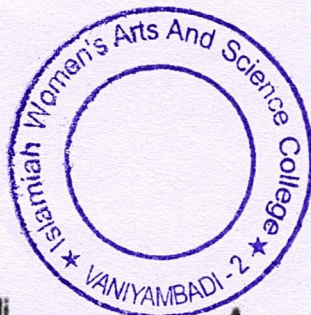

The industrial visit is useful to gather additional information and to impart new information to the students belonging to the discipline of the commerce. The industrial visit will be very much useful for our students to know the real environment of the factory and its nature of functioning. Therefore, I kindly request you to grant the permission for the same.

Thanking you

Yours Faithfully

P. Kavitha

**PG AND RESEARCH DEPARTMENT OF COMMERCE
REPORT -SIPCOT INDUSTRIAL VISIT ON 17.03.2023**

On March 17, 2023, the Commerce Department orchestrated an insightful industrial visit to SIPCOT in Ranipet. A total of **52 students** from both III BCom and II BCom participated, accompanied by two faculty members from our department. This initiative proved invaluable in augmenting our students' understanding as they immersed themselves in observing the intricacies of the industrial landscape and its interaction with the natural environment.

The visit to SIPCOT facilitated a direct encounter with industrial operations, offering a hands-on experience that supplements classroom learning. Students had the opportunity to witness firsthand the application of theoretical concepts in real-world scenarios, thereby bridging the gap between academic knowledge and practical implementation.

Interactions with industry professionals provided students with insights into the dynamics of industrial processes, technological advancements, and the economic implications of industrial activities. Moreover, exposure to SIPCOT's infrastructure and operations fostered a deeper appreciation for environmental sustainability and the importance of responsible industrial practices.
