Respected Sir,

The following problems we faced while uploading the subject registration in an online portal. Kindly rectify the same at the earliest.

1. In I BBA, we are unable to select the Allied Subject Code as CABA 23B (Principles of Banking System) by default it shows as CABA 23A. Kindly remove CABA 23A and **ADD CABA 23B (Principles of Banking System)**.

2. In II BBA, while selecting the Allied Subject Code the following III BBA student names are shown in II BBA. Kindly remove the following student's name.

3. In I B.Sc Zoology, in subject registration, we have registered 9 subject codes in 2020 Regulation correctly but in the report, it's wrongly displayed as 2016 Regulation and 5 subjects. Kindly rectify the same at the earliest.

4. We regret the mistakes committed in II B.Sc Biochemistry, for the 24 students we wrongly selected as CNEC 45 instead of **CNEN45**. Kindly remove the same at the earliest.

With regards,
