Organized

COMMUNITY SERVICE PROGRAM AT PAPPNERI VILLAGE

A REPORT

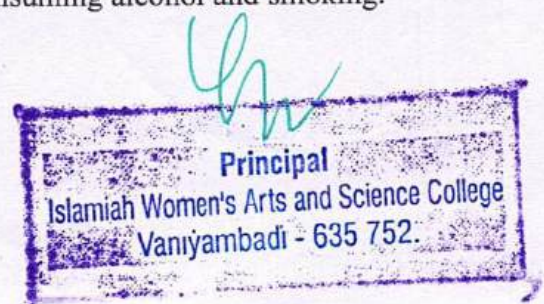

PG & Research Department of English organized Community Service Program for the UG final year students to create awareness about the importance of humanity. 20 students were taken to the Pappaneri village near Alangayam for a week (17.10.2022 to 22.10.2022), which is at a distance of six km from college. Students travelled via college bus everyday at 10.00 am and returned at 12:30 pm. Two students as pairs chose four houses for supervision and they taught the people about the importance of humanity, English Alphabets, Basic Math, Community Cleanliness, Hygiene, Importance of Health, how to put signature and tips to fill Bank Challan .The people of Pappaneri village were enthusiastic and showed the curiosity of learning which further encouraged the students to take additional interest in teaching them.

Day 1: (17.10.2022)

1. Students took survey and analyzed the facilities that can be provided to the people of the village for their betterment, also a survey was taken on hygiene and cleanliness in the surroundings.

Day 2:(18.10.2022)

1. Students taught people about the importance of Community Cleanliness and the measures to be taken.
2. Basic English alphabets was taught.
3. Caution was given about the adverse effects of consuming alcohol and smoking.

Day 3: (19.10.2022)

1. Students gave awareness on both internal and external house cleaning and taught some measures to keep the surrounding clean.
2. Lethal disease like cancer- its types, causes & symptoms, prevention and treatment was also discussed.

Day 4:(20.10.2022)

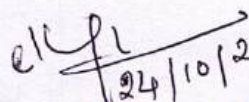

1. Fourth day the students focused on important issue like 'Water Management' and its preservation.
2. Also the villagers were given the practice on filling the Blank Challan. .
3. Students taught about the prevention of disease like HIV and AIDS and also discussed about its causes and symptoms.

Day 5:(22.10.2022)

1. Emphasis was made on personal hygiene and the importance.
2. Villagers were also taught to put the signature and at the same time some mathematical calculations were also incorporated as a part of the program
3. Students stressed upon mental health and women related issues also.
4. In addition to importance of education, guidelines, on how to procure the scholarship to their children was also discussed
5. Finally, on the last day, to make the villagers happy and joyous, students distributed refreshment consisting of a steel box filled with sweets, as a token of love which was warmly accepted.

OUT REACH PROGRAM ON
"TEACHING BASIC GRAMMAR FOR SECONDARY SCHOOL STUDENTS"

PLACE: KHADERIA HR. SEC. SCHOOL

DATE: 29-03-2022 TO 04-04-2022

TIME: 9:30 TO 11:30

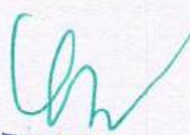

22 students of UG & PG final year from PG & Research Department of English participated in the Outreach Program on 'Teaching Basic Grammar to Secondary School students' at Khaderia Higher Secondary School, Vaniyambadi, students with distinct calibre and potential were selected, to execute the teaching learning practice. After the formalities of permission from both the institutions, the program was initiated on 29th March 2022. As per the schedule, Basic English Grammar was taught to 6th-9th students for five days. The students showed great zeal and enthusiasm in participating in the program. They were passionate about teaching the young minds. The program provided them an opportunity to develop the pedagogical skills. Students in pairs occupied the classes and engaged the school students in various grammar activities. The school students really enjoyed the classes and showed great response. On the last day, the school students were given some medals and sweets as a token of appreciation and encouragement. On the whole this teaching practice gave our students a remarkable enriching experience. They became familiar with various aspects like Class Management, Time Management and Teaching Learning Strategies etc.

On the last day of the program, the school management organized a session to our students and discussed about art of attending interviews, preparation of resume etc. Positive feedback was given on their teaching capacities. The management extended commendable appreciation for the untiring efforts of our students.

FREE MEGA MEDICAL CAMP - REPORT

PG Department of Biochemistry organized Free Mega Medical Camp (Heart, Ortho, Liver and Gynaecology) in association with **The Madras Medical Mission Health Care Hospital, Chennai on 03.12.2022 for the Public** under the supervision of the HR team, **five reputed Doctors and 15 technicians** were invited for this camp. The registration desk started at 8.30 A.M. in the morning and successfully ended at 1.30 P.M. in the afternoon.

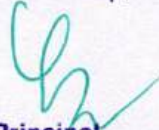

During the health camp a range of services like routine medical check-up, Haemoglobin test, sugar test, height, blood pressure check-up were provided. Medical camp plays a vital role in our society by providing essential health care services to all the needy people. During the camp **119** adult and **3** kids were screened.

Staff team from the PG Department of Biochemistry gave their active cooperation in the arrangement of the camp and 15 volunteers from DMLT students assisted the public during the camp.

Hence we would like to organise such type of free medical camp in our college premises in present as well as in the future. As a token of appreciation the Doctors and technicians were honoured by the management for the valuable services. Thus the camp was concluded with the vote of thanks by Ms S. Aruna Head of the Department, Biochemistry.

DEPARTMENT OF ZOOLOGY

(2022-2023)

School Visit Report: Promoting Health And Environmental Awareness.

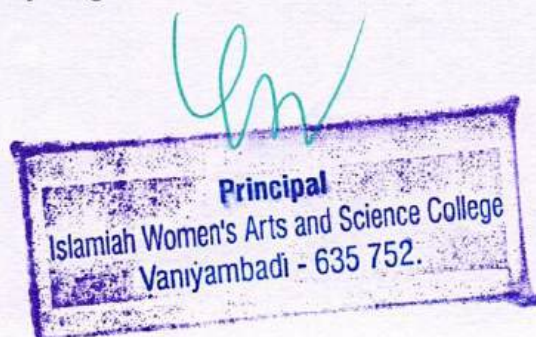

On 17 October, 2022, around 58 students of II & III YEAR B.Sc Zoology Department, Islamiah Women's Arts And Science College, Vaniyambadi organized a visit to Deewan Mohammed Memorial Matriculation Higher Secondary School, Kethandapatti to raise awareness about health and environmental issues among students from VII to 12th class. The initiative aimed to educate the younger generation about the importance of preserving the environment and maintaining good health practices.

The primary objectives of the visit were:

1. To educate students about the interconnectedness of human health and environmental sustainability.
2. To instill a sense of responsibility towards the environment and personal well-being.
3. To encourage students to adopt eco-friendly practices and healthy lifestyle choices.

Activities Conducted:

1. Interactive Presentations: College students delivered engaging presentations covering various topics such as the importance of biodiversity, climate change, pollution, and its impact on human health.
2. Demonstrations: Practical demonstrations were conducted to illustrate concepts like water purification methods, waste segregation, and the benefits of recycling.

3. Group Discussions: Students were divided into smaller groups for discussions on specific topics related to health and the environment. This encouraged active participation and facilitated better understanding.

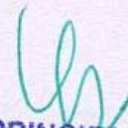

4. Q&A Sessions: A question and answer session allowed students to clarify doubts and delve deeper into the topics discussed.

The school visit organized by the Zoology Department was a resounding success in promoting awareness about health and environmental issues among students. By educating and empowering the younger generation, we take a significant step towards creating a healthier and more sustainable future. Such initiatives should be encouraged and replicated to foster a culture of environmental stewardship and well-being in our society.

DEPARTMENT OF CHEMISTRY**REPORT****OUT REACH PROGRAM (15.09.2022)**

The Department of Chemistry organized a series of interactive experiments and demonstrations aimed at making chemistry more accessible and engaging for the school children on 15.09.2022 to Arshiya Fathima Matriculation School at Ramanayakanpet, Vaniyambadi. **48 students** from B.Sc Chemistry actively participated in showcasing **Practical Applications of Chemical Concepts**. One notable example was a hands-on session where the school students were guided on conducting simple chemical reactions, emphasizing safety protocols in the laboratory. The students, under the supervision of the accompanying staff members Ms. J.Thilagavathi Head Department of Chemistry Ms.J.Lekha Assistant Professor Of Chemistry and Ms. Faiqua Anjum Assistant Professor of Chemistry. The students also demonstrated the proper handling of chemicals, encouraging the school children to explore and ask questions.

To further enhance the learning experience, a chemistry awareness program was conducted, highlighting the inspiring aspects and real-world importance of chemistry. The students shared captivating facts and anecdotes, sparking curiosity among the school children about the wonders of chemistry. The school children demonstrated increased interest and confidence in handling chemicals in a controlled environment. Children fostered a positive outlook on the study of chemistry among the younger generation.

PG Department of Biochemistry & Foods and Nutrition students have visited **Dr. Akbar Kouser's Herbal Garden**, Vaniyambadi on 2-9-2022. Department faculty members accompanied the students

Biochemistry	150 students	2.9.2022
Foods & Nutrition	135 students	

Dr. Akbar Kouser lecture on Herbal fengshui treatments offered to Muscular dystrophy, Kasini treatment for kidney disorder. Students gained knowledge on Sacred trees used for meditation by sages with healing potential planted in the herbal garden and how inhalation of oxygen from them helps to cure Muscular dystrophy. Novel treatment of Garam Hamam – Hot room for Covid19 and herbal inhaler was informative to our students on the day of visit. Students inspired by books authored by Dr. Akbar Kouser on Herbal medicines, Spices and Sacred trees of temple. After visiting your Kasini herbal garden our students were highly motivated to do research on medicinal plants.

FREE CARDIO MEDICAL CAMP - REPORT

DATE: 15.02.2020

PG Department of Biochemistry & Foods and Nutrition organized **Free Cardio Medical Camp** jointly with **Madras Medical Mission Health Care Hospital, Chennai, on 15.02.2020 in the college for the public.** Under the supervision of the Dr. Mullasari Ajit & team of six reputed Doctors and 15 technicians were invited for this camp. The registration desk started at 8.00 A.M. in the morning and successfully ended at 2.00 P.M. in the afternoon.

During the health camp a range of services like routine medical check-up, Hemoglobin test, sugar test, height, blood pressure check-up, ECHO, ECG were provided. Medical camp plays a vital role in our society by providing essential health care services to all the needy people. During the camp **81 Adult and 3 Children** under the age of 15 were screened.

Staff team from the PG Department of Biochemistry and Foods and Nutrition gave their active cooperation in the arrangement of the camp and 19 volunteers from DMLT students assisted the public during the camp.

Hence we would like to look forward such type of free medical camp in our college premises in present as well as in the future.

As a token of appreciation the Doctors and technicians were honored by the management for the valuable services. Thus the camp was concluded with the vote of thanks and National Anthem.

COMMUNITY OUTREACH PROGRAMME - DONATING ESSENTIALS
FOR NEEDY PEOPLE (2022-2023)

On 17.03.2023, Unnat Bharat Abhiyan Conducted community outreach program on Donating Essentials for Needy People at Nekundhi adopted village from 10:00 am to 02:00 pm. The primary objective of the program was to provide essential items to individuals in need within the community. To ensure effective identification of recipients, collaboration occurred between organizers, including the village head and local leaders.

Ms. S. Nagasudha, serving as the UBA coordinator, and Ms. S. Kanimozhi, played pivotal roles in supervising the **thirty four** student volunteers who participated in the event. The program commenced with a prayer, signifying the importance of unity and compassion in community service.

Subsequently, essential items such as groceries and mats were packed, preparing them for distribution. Student volunteers were strategically organized into groups, facilitating the efficient delivery of these essential goods to the identified recipients.

The recipients of the donated items expressed their heartfelt gratitude by offering blessings and good wishes to the student volunteers, underscoring the positive impact of the outreach effort on the community. As the program drew to a close, the participants gathered to sing the national anthem. The event concluded on a note of fulfilment, marking the success of the outreach endeavour in making a meaningful difference in the lives of the community members in need.
