Vaniyambadi-Tamilnadu.

17.02.2020

To

The Managing Director,
Vanitec Ltd, Vaniyambadi.

Sir,

Sub: Requisition Letter for Permission to conduct an Industrial Visit-
Reg.

I am hereby writing this letter on behalf of the Department of Chemistry and Zoology at Islamiah Women's Arts and Science College, Vaniyambadi, seeking your permission to conduct an industrial visit to your esteemed company, on 19th February, 2020. Ours is a well-reputed Educational institution located in Vaniyambadi, famed for its quality education.

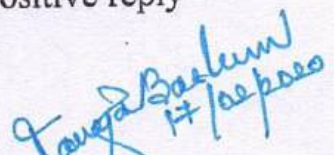

The group would be seventy eight visitors, including faculty members. Being students of science, this visit would help in a better understanding of various concepts. The purpose of this Visit is to enhance the students' knowledge and provide them with a proper understanding of the functioning of the industry. We intend to take a round of the entire industry and show the tasks handled in different sections of the industry.

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same. We look forward to a positive reply from your side.

Thanking You,

PRINCIPAL
ISLAMIAH WOMEN'S ARTS
AND SCIENCE COLLEGE
VANIYAMBADI.

Report

Industrial Visit – Vanitec Ltd, Vaniyambadi

The visit to VANITEC LTD's Zero Liquid Discharge Common Effluent Treatment Plant (ZLDCETP) in Valayampet on February 19, 2020, marked a significant educational opportunity for the students of Islamiah Women's Arts and Science College, Vaniyambadi. Comprising 62 students from Chemistry classes, alongside two esteemed faculty members from the Department of Chemistry, the visit was meticulously designed to offer a practical understanding of industrial operations, specifically focusing on wastewater treatment principles. The primary aim of the visit was to broaden the horizons of students by providing them with firsthand exposure to industrial processes, procedures, and cutting-edge technologies related to wastewater treatment. By immersing themselves in the operational dynamics of VANITEC LTD's facility, students had the chance to witness theoretical concepts manifest into tangible, real-world applications. One of the pivotal stages observed during the tour was the Primary Treatment phase, where the wastewater underwent a thorough cleansing process, effectively removing fine debris and suspended solids. This initial step was crucial in preparing the wastewater for subsequent treatment phases. The subsequent Biological Treatment phase demonstrated the utilization of a group of bacteria to degrade the remaining dissolved organics present in the wastewater. This biological intervention played a vital role in rendering the wastewater environmentally safe, thus making it suitable for disposal into nearby rivers. For the students, this industrial visit was nothing short of a transformative experience. It not only provided them with insightful information about industrial procedures and practices but also shed light on potential career pathways within the field of wastewater treatment and environmental engineering. By bridging the gap between theoretical knowledge acquired in classrooms and its practical application in real-world scenarios, the visit equipped students with invaluable skills and knowledge, priming them for future endeavors in the realm of chemistry and allied industries. The visit to VANITEC LTD's ZLDCETP facility was a resounding success, leaving an indelible mark on the minds of the students and faculty alike. It underscored the importance of experiential learning in shaping well-rounded professionals capable of addressing the complex challenges of the modern industrial landscape.

ICT ACADEMY

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding entered into at Chennai on this 05th Day of February month in the year 2020.

BETWEEN

M/s ICT Academy, a non-profit Society incorporated under the Tamil Nadu Societies Registration Act, 1975 and having its Office at ELCOT Complex, 2-7 Developed Plots, Industrial Estate, Perungudi, Chennai 600 096 (hereinafter called as "**ICT Academy**") which expression shall, wherever the context so permits mean and include successors and assigns.)

AND

Islamiaah women's arts & science college, being the beneficiary of this MoU having its principal place of business at Newtown, Vaniyambadi, Tirupattur – 635752 duly represented (hereinafter referred to as, Islamiah women's arts & science college, Vaniyambadi which expression shall, wherever the context so permits mean and include successors and assigns.)

WHERE AS

ICT Academy is an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavours to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students.

ICT Academy was started to meet the skill requirements of the industry and generate more employment especially in tier 2 and 3 towns, the rural parts of the country. The organization was formed with representations from the State Government of Tamil Nadu, leading companies in the ICT industry and National Association of Software Services Companies (NASSCOM) in India.

With training of teachers and students as the primary objective, ICT Academy has been working through a seven pillar program in the areas of Faculty Development, Student Skill Development, Entrepreneurship Development, Youth Empowerment, Industry-Institute Interaction, Digital Empowerment and Research & Publications.

In the last 10 years, ICT Academy has strived on every aspect to provide a holistic service to every stakeholder of the education ecosystem in developing the next generation of talent pool in India to make them industry ready employees, innovators, entrepreneurs and leaders.

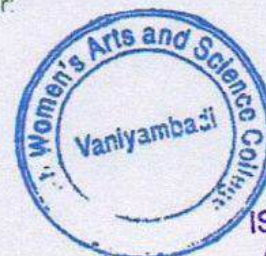

The Academy shall have a core team of faculty members to conduct the training. This core team would be supported by faculty members deputed from Industry as well drawn from the educational Institutions.

ICT Academy is recently endorsed and recommended by NITI Aayog (National Institution for Transforming India Aayog), the National Planning body of Government of India as one of the unique organization for dissemination and replication, which is aligned to the Skill India Vision of the Government of India.

ICT Academy is agreeable to enter into this MoU with Islamiah women's arts & science college, Vaniyambadi as per the terms and conditions set out hereunder:

Handwritten signature in blue ink.

Handwritten signature in green ink.

PRINCIPAL
ISLAMIAH WOMEN'S ARTS
AND SCIENCE COLLEGE
VANIYAMBADI.

Now this MoU witnesses as under:

1. Scope of the MoU

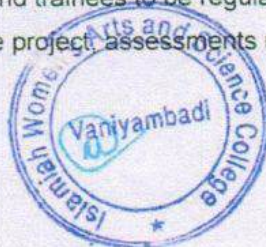

- 1.1 Islamiah women's arts & science college, Vaniyambadi, hereby agrees to host the Employability Skill Development Training being offered by ICT Academy.

TEACHING TECHNIQUES WITH GAMIFICATION

Course Overview

Education is a light that helps the human to proceed in the path of growth. The traditional "chalk and talk" method of teaching is revolutionized with modern, innovative teaching methods. The programme will facilitate the attendees to get engaged and improve their teaching skills to meet the ever changing dynamics in the academic world. The programme intends to instill skills within the faculty members, which will foster independent thinking and creativity through experimental/pedagogical activities.

The FDP also aims to build up the quality of course delivery of participants through pedagogical enhancements to create interest and motivation among students. Being an educator is not just about sharing knowledge; it is about making sure that learners accurately assimilate this knowledge and develop learning out of it. Hence, to be an effective teacher, one needs to be able to deliver the field knowledge using the most suitable pedagogical tools. An effective teacher is also required to remain at the frontlines of knowledge in his/her areas of subject expertise and gain working knowledge of other

Vaniyambadi - 635 752

domains of management as well. For this, every teacher needs to continuously upgrade himself/herself by engaging in research. This Faculty Development Programme aimed at sharpening the teaching and research skills of the professors

RETURN TO
HOME PAGE

WHO IS THIS COURSE FOR?

This course is for teachers, instructors and professors who are interested in transforming the classroom teaching style to an updated form of learning experience with gamified teaching

COURSE OBJECTIVE

On successful completion of the course, participants should be able to:

- To develop and use more innovative teaching techniques
- To make staffs understand the importance of gamification
- To inter relate the game elements with the current curriculum content

Course Outline

The contents of this course are designed to support the course objectives. The following focus areas are included in this course:

Decoding the Unspoken Sounds	Need & Principle
Immortal Man on Stage	Takeaways & Effects
Sharpening your Pencil	Behaviorism
Creative Teaching	Finding the fun
Technology Intervention	Gamification Design Framework
What is Gamification	Tactics for Creating Engaged Classr

METHODOLOGY

The teaching methodology of this course:

- Theoretical Instructions
- Frequent reference to real case scenarios
- Give & Take
- Practical & Interactive sessions
- AVK
- Questioning sessions

We request you to nominate 2 or 3 faculty members from your institution.
