PG AND RESEARCH DEPARTMENT OF COMMERCE REPORT -SIPCOT INDUSTRIAL VISIT ON 17.03.2023

On March 17, 2023, the Commerce Department orchestrated an insightful industrial visit to SIPCOT in Ranipet. A total of **52 students** from both III BCom and II BCom participated, accompanied by two faculty members from our department. This initiative proved invaluable in augmenting our students' understanding as they immersed themselves in observing the intricacies of the industrial landscape and its interaction with the natural environment.

The visit to SIPCOT facilitated a direct encounter with industrial operations, offering a hands-on experience that supplements classroom learning. Students had the opportunity to witness firsthand the application of theoretical concepts in real-world scenarios, thereby bridging the gap between academic knowledge and practical implementation.

Interactions with industry professionals provided students with insights into the dynamics of industrial processes, technological advancements, and the economic implications of industrial activities. Moreover, exposure to SIPCOT's infrastructure and operations fostered a deeper appreciation for environmental sustainability and the importance of responsible industrial practices.

Dear Sir / Madam,

ULTRAMARINE & PIGMENTS LTD
Sipcot, Ranipet District

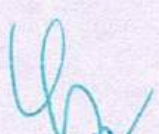

The department of Business Administration decided to give some practical exposure to the students about the manufacturing processes & organisational environment. For that, your industry is the best option to visit within Vellore district. Nearly 100 students will take part in the visit accompanied by four faculty members. We just take a day for this industrial visit on 16.03.2023 or 17.3.2023. Kindly accept our request and give us the confirmation.

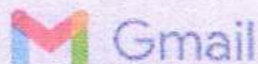

Hope you understand the need of the visit for educational purposes. In that case, we need your support.

REPORT OF INDUSTRIAL VISIT

Students of Business Administration were taken for Industrial visit to Ultra Marine Pigments at Sipcot, Ranipet on 17.03.2023. They are the second largest supplier of raw materials to many soap companies. Nearly 49 students from all three years were taken to gain practical knowledge in industrial sector. The students understood the process of making solutions/raw material for detergent, washing powder and its packing process. The unit manager explained the stages in process by assembling the student in each section of company. The students had the experience of organizational environment, machine operations, packing procedure for detergent, employee engagement regarding the process, etc. involved in each stage. On the whole, students understood the stages involved in process. The students understood the job opportunity/ vacancy available in the Marine Pigment and also gained practical knowledge.

Respected Sir,

Sub: Requisition Letter for Permission to visit Kethandapatti Sugar Mill-Regarding.

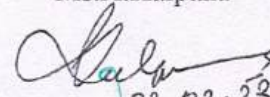

With due respect, I am forwarding this requisition letter on behalf of Department of Zoology, Islamiah Women's Arts and Science College, Vaniyambadi, seeking your permission to visit Kethandapatti Sugar Mill on 25th February, 2023.

The visiting group would be Ninety three students and four member faculty from Department of Zoology. Being students of science, this visit would help them in a better understanding of various concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the subject. We intend to take a round of the entire mill and show the tasks handled there.

Kindly accord permission to visit Kethandapatti Sugar Mill and also kindly arrange 2 buses to commute to Kethandapatti Sugar Mill.

Thanking You,

Yours Faithfully,
Ms.A.Kalpana

Date : . 27/01/2023

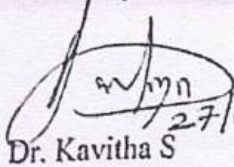

Dear Mrs. Shazia N,

We are writing to extend a warm invitation to you to be our chief guest at our Meelad-un-Nabi function, which will be held on 2nd Feb 2023 at 2.00 pm at Al-Huda Matric Hr Sec School Vaniyambadi.

As per the reference of our school's secretary, we believe that your presence will greatly enhance the occasion and inspire our students and parents. The Meelad-un-Nabi function is an important event for us as it celebrates the birth of Prophet Muhammad (peace be upon him) and his teachings.

We hope that you will be able to join us for this special event and participate in the celebration. Please let us know if you have any questions or concerns. We look forward to seeing you soon.

Sincerely,

27/01/2023
Dr. Kavitha S

ISLAMIAH WOMEN'S ARTS AND SCIENCE COLLEGE

Islamiah Women's Arts and Science College was established in 1997 by the benevolent Vanivambadi Muslim Educational Society. It has crossed 2 ½ decades. Islamiah Women's Arts and Science College conceived in its true Islamic tradition. Islamiah Women's Arts and Science College is a symbol of devotion to education and love for learning. Islamiah Women's Arts and Science College got its provisional affiliation from University of Madras on 7th October 1997 and appeared on the educational horizon on 16th October 1997 at the premises of Islamiah Girls Higher Secondary School.

At present the college is functioning in its own permanent campus. It has got permanent

In the year 2018 the college has been accredited with 'B' Grade by NAAC.(1st Cycle). This optimizes the high standard of education and quality research attached to this campus.

The aim of the college is to cultivate good behavior attitude and high values of life among the students. The college is a dream comes true for the Muslim women of Vaniyambadi who want to pursue higher education. Our college is situated in the prosperous leather town called Vaniyambadi, which is 65km from Vellore. At the outset our college renders yeoman service to the rural and downtrodden Society.

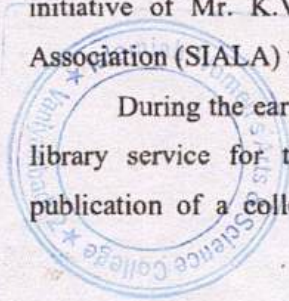

CENTRAL LIBRARY

The College library was established in the formative years of the college. It has a collection of more than 18,000 books relating not only to the subjects taught in the college, but also many collections on other language. The fully computerized library functions on the basis of Open Access System in which students and staff have unlimited usage of the treasure trove. Our library has enabled with Wi-Fi connectivity. The library subscribes 26 National Research Journals, Magazines and 6 Newspaper. The college is subscribing nearly 70 lakh e-books and more than 6000 e-journals through INFLIBNET & DELNET. The library NPTEL e-learning video courses, SWAYAM PRABHA Higher Education channel, D-Space software for college Repository and Virtual library is got attached within the Central Library.

MADRAS LIBRARY ASSOCIATION

Madras Library Association (MALA) was founded on 31st January 1928 by Dr. S.R. Ranganathan and Mr. K.V. KrishnanswamyAiyar. The library movement in the former Madras Presidency originated as part of the national movement for political freedom and social development. The Indian National Congress spearheaded the movement for Swaraj and its annual conferences provided a platform for other organizations with national goals to hold their meetings. The fifth All India Library Conference was held in Madras, along with the Congress session, during the last week of December 1927. As a follow up to the deliberations of this conference, through the initiative of Mr. K.V. KrishnanswamyAiyar and Dr. S.R. Ranganathan, the Madras Library Association (SIALA) was founded on 31st January 1928.

During the early years the MALA launched many innovative programmes such as a mobile library service for the rural areas of Mannargudi and Cuddalore, hospital library service; publication of a collection of essays in English and South Indian languages on the "Library

Movement" by several distinguished authors; compilation of bibliographical lists; promotion of school libraries and organizing essay competitions among school children; for training librarians was started in 1929 which was handed over to the University of Madras in 1931. This later developed into a post graduate diploma course and eventually the full-fledged Bachelor's degree course.

Monographs on all aspects of library science such as Five Laws of Library Science, Colon Classification, Classified Catalogue Code and Library Administration were also published which gained international recognition. These publications form the basic works for the training programmes conducted by library schools in India and abroad. It took over two decades of perseverance on the part of MALA for the Madras Public Libraries Act to be passed in 1948. This act, the first in the country, proved to be the model for the later acts. To widen the Association's activities and concentrate on college, research and industrial libraries, the need for a permanent abode of its own was felt.

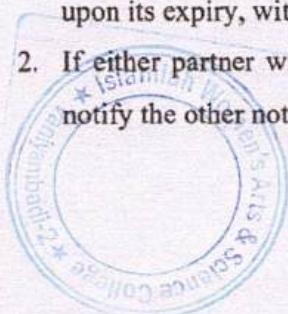

Its former president, the late S.R. Ranganathan had earmarked for the building fund a part of the proceeds of the royalties earned by his books. These funds finally provided the MALA in 1976, with premises --- a wing of the Gokhale Shastri Institute in Mylapore.

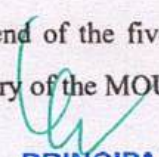

OBJECTIVES AND FORMS OF CO-OPERATION

Vaniyambadi-Tamilnadu.**Department of Chemistry****Report****Visit to Chandru's Organic and Natural Vermicompost farm**

All III UG students (40) from Department of Chemistry along with Department of Zoology visited Vermiculture organic farm at Chandru's Farming, Nilavur, Yelagiri on 19 th November 2022. The visit included practical lecture on preparation of Vermicompost from initial stage like processing of cow dung to final packing and exporting of Vermicompost and also preparation of panchakavya and fish oil. The trainers over there explained the process in a very simple manner so that all our students got plenty of information regarding vermiculture. At last they offered Vermicompost, panchakavya, fish oil at offer prize for staff and students. After the visit our students were highly motivated to prepare Vermicompost at low cost at their home itself and also interested to construct vermiculture pit in our college campus.

INDUSTRIAL VISIT

PLACE: UR RAO SATELLITE CENTRE (ISRO) and HAL

DATE: 10.11.2022

PG Department of Computer Science and Department of Computer Applications has organized Industrial Visit for the students of Final B.C.A, B.Sc (CS) and M.Sc (CS) on 10.11.2022 to UR Rao Satellite Centre (ISRO). Along with 87 students 9 faculty members, 1 Programmer and 1 Lab Assistant visited Satellite Centre. Scientist, H.L.Srinivasa explained about different types of Satellite models available, and clarified students queries. Industrial Visit was very useful for the students and they got a chance to see the current Satellite work which is going on in an ISRO.

After visiting ISRO, we took students to Hindustan Aeronautics Limited (HAL), there they have got a chance to see the different Aeronautic Models.

DAFFODIL INTERNATIONAL UNIVERSITY

MEMORANDUM OF UNDERSTANDING (MoU) AND ACADEMIC COLLABORATION

BETWEEN

ISLAMIAH WOMEN'S ARTS AND SCIENCE COLLEGE, VANIYAMBADI, TAMILNADU, INDIA
AND
DAFFODIL INTERNATIONAL UNIVERSITY, DHAKA, BANGLADESH

Islamiah Women's Arts and Science College, Vaniyambadi, Tamilnadu, India and Daffodil International University, Dhaka, Bangladesh, aim to establish and develop a close partnership to promote academic and cultural exchanges between the two Institutions through mutual assistance, specially, in the areas of teaching and research.

This Agreement of Co-operation, upon approval of the Vice Chancellor of Daffodil International University and the Principal of Islamiah Women's Arts and Science College will serve as a general framework for institutional co-operation. It will facilitate faculty members to discuss and develop specific programs of co-operation. Each Institution will designate a liaison officer to co-ordinate the application of this Agreement in the best interest of both Institutions. Co-operative relations shall be carried out through the activities such as:

- **Student Exchange:** In the case of exchange of students, each Institution will evaluate and decide on study period of the relevant student. A student, who has received a grant and fulfils the entrance level of each institution, will be treated as a fully accepted student of concerned School/Faculty/Department, with all the same rights and regulations.
- **Faculty Exchange:** The exchange of academic staff for short duration in order to share expertise and knowledge among staff and students of both institutions.
- **Research Degrees:** The provision of placements and support for Master's Students to undertake a period of research/placement at the partner institution.
- **Sharing Resources:** The acquiescence of access to the Library database, Journal and other online resources for both staff and students of each institution.
- **Summer/Winter Program:** Both Institutions agree to participate in short term Summer/ Winter programs arranged by other partner institution. In this matter, partner institution will circulate the notices among students and motivate them to attend the summer program for capacity building and cross cultural education.
- **Intern Exchange:** To encourage young entrepreneurs, new graduates and young teaching assistants, both institutions will facilitate them for internship placement from partner institution.
- **Scholarship Opportunity:** Each Institution may arrange scholarship opportunity for meritorious students of partner institution and cooperate accordingly.

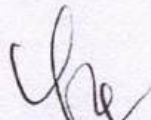

- **No Legal Bindings:** There is no binding and the parties acknowledge that this MoU does not create any legal obligation for either party under any legal obligation.
- **No Agency:** There shall not be any agent to be engaged or appointed by either party to this MoU for any purpose or objection of the MoU

The provisions and activities specified in this Agreement are subjected to the availability of funds and the approval of the authorities of both Institutions. A separate financial agreement to be finalized prior to any particular program and academic activities or collaboration research.

The Agreement shall take effect from the date of signing and shall be valid for an initial period of 5 (five) years. Any amendment and/or modification of this Agreement require the written approval of the Vice Chancellor of Daffodil International University and the Principal of Islamiah Women's Arts and Science College shall be appended hereto. Neither Institution shall act relative to this Agreement without consultation with the partner in this Agreement.

Respected Sir,

We are really grateful to you sir for permitting our students of Islamiah Women's Arts and Science college to visit your **Kasini Herbal Garden, Vaniyambadi** on the following dates **2-9-2022** and **3-9-2022**. Your lecture on Herbal fengshui treatments offered to Muscular dystrophy, Kasini treatment for kidney disorder was very useful and informative to the students. Our students gained knowledge on Sacred trees used for meditation by sages with healing potential planted in your herbal garden and how inhalation of oxygen from them helps to cure Muscular dystrophy. Your novel treatment of Garam Hamam –Hot room for Covid19 and herbal inhaler was informative to our students.

Our students inspired by books authored by you on Herbal medicines, Spices and Sacred trees of temple. Herbal dialysis a promising treatment for kidney in your hospital. After visiting your Kasini herbal garden our students were highly motivated to do research on medicinal plants.

Both PG Department of Biochemistry & PG Department of Foods and Nutrition students have visited **Dr.Akbar Kauser's Herbal Garden**, Vaniyambadi on **2-9-2022**. Department faculty members accompanied the students

Biochemistry	150 students	2.9.2022
Foods & Nutrition	135 students	

Dr.Akbar Kauser lecture on Herbal fengshui treatments offered to Muscular dystrophy, Kasini treatment for kidney disorder. Students gained knowledge on Sacred trees used for meditation by sages with healing potential planted in the herbal garden and how inhalation of oxygen from them helps to cure Muscular dystrophy. Novel treatment of Garam Hamam -Hot room for Covid19 and herbal inhaler was informative to our students on the day of visit. Students inspired by books authored by Dr.Akbar Kouser on Herbal medicines, Spices and Sacred trees of temple. After visiting your Kasini herbal garden our students were highly motivated to do research on medicinal plants.

Sir,

Sub: Requisition Letter for Permission to visit the Biotechnology laboratory of Islamiyah College [autonomous]- Reg.

With due respect, I am forwarding this requisition letter on behalf of Department of Zoology, Islamiyah Women's Arts and Science College, Vaniyambadi, seeking your permission to visit the Biotechnology laboratory of your esteemed Institution, on 29th August, 2022.

The group would be thirty five students and one member faculty from Department of Zoology. Being students of science, this visit would help them in a better understanding of various concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the subject. We intend to take a round of the entire laboratory and show the tasks handled in the biotechnology department.

Kindly accord permission to visit the Bio technology laboratory and make the necessary arrangements for the same.

Thank You,

Report

Industrial Visit –Vanitec Ltd, Vaniyambadi

On February 9th, 2023, a group of 61 students from II & III B.Sc Chemistry, along with three faculty members from the Department of Chemistry at Islamiah Women's Arts and Science College, Vaniyambadi, undertook an industrial visit to VANITEC LTD (Zero Liquid Discharge Common Effluent Treatment Plant ZLDCETP) in Valayampet, Vaniyambadi. The purpose of the visit was to provide students with practical exposure to industrial processes, operations, and technologies relevant to the concepts of wastewater treatment and to enhance their knowledge and understanding of industry functioning.

During the course of the industrial visit, students were explained the treatment of wastewater based on a 2-stage process comprising a Primary & Secondary treatment system. In the Primary Treatment, coarse debris and suspended solids were removed from the wastewater, and the remaining dissolved organics were degraded in a biological treatment phase using a consortium of bacteria, bringing the wastewater to a condition suitable for river discharge. Additionally, the staff members of the industry explained the implementation of the Zero Liquid Discharge System, where the Common Effluent Treatment Plant has stopped the discharge of its effluent into the river.

The industrial visit to VANITEC LTD (Zero Liquid Discharge Common Effluent Treatment Plant ZLDCETP) was a highly enriching experience for the students of our college. It offered valuable insights into industrial practices, processes, and career opportunities in the field. The visit served as a bridge between classroom learning and practical application, equipping students with valuable knowledge and skills for their future endeavors in the industry.
