INTERNAL QUALITY ASSURANCE CELL

Report - Women Empowerment Program on

Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources

The Internal Quality Assurance Cell of Islamiah Women's Arts and Science College organized a Faculty Development Program on Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources with Ms. Parveen Papa, Philanthropist and Director, HR, Huma Specialists Hospital and Research Centre, Chennai and Ms. Shereen Sultana, Social Activist and Reformer, Chennai, as resource persons on 1.3.23 between 12.00 p.m. and 1.30 p.m. with over 90 faculty members and **175 students** in attendance in the Seminar hall.

The Principal, Dr. M. Renu, addressing the faculty members stressed upon the need for sensitizing the students towards their rights as women living in a deeply conflicted society that is theoretically matriarchal and practically steeped in radical patriarchy. She felt that irrespective of caste, religion or background, every woman should be able to look beyond this fog at the bigger picture and determine for herself her role, strength and the opportunities available to her and how best she can make use of those opportunities to empower herself.

The widely renowned philanthropist, Ms. Parveen Papa, with several decades of experience working for the cause of Women empowerment – social, financial and economic – presented a well- documented argument about the scarcity of awareness in the face of education and knowledge influx. Women being unaware or being only partially aware of their rights has been the core reason for their exploitation. She insists that women should not only be empowered to be financially independent but should also be taught to protect their assets and their selves in their public and private space.

CIVIL SERVICE EXAMS & HOW TO CRACK THEM**

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College in collaboration with Shankar IAS Academy, Chennai organized a CAREER GUIDANCE PROGRAM on CIVIL SERVICE EXAMS & HOW TO CRACK THEM with Mr. Ramesh Adithya, Head – Strategy, and Mr. Sucharithan, Head – HR, Shankar IAS Academy, Chennai as resource persons on 12.03.2021 at 11.00 a.m. 196 under graduate students participated in the program.

Dr. M. Renu, Principal, IWASC gave the Presidential address for the program during which she spoke of how badly we are underrepresented in government offices and the reason for such a state is the lack of awareness among our young students who have a great deal of potential.

Mr. Ramesh Adithyagave a general view about the young generation today that is more preoccupied with the social media than their own lives and how this has led to an endemic apathy concerning all matters personal and otherwise. He said how we tend to blame the outsiders for having stolen our opportunities but do not stretch and grasp the opportunities staring at our face. Using statistics of last 3 years he proved that the seats available in each government sector is equivalent to the candidates appearing for the exams and hence every single person on an average has a 99% chance of passing them.

Mr. Sucharithan presented an overview of all the important government examinations including TNPSC, UPSC and SSC, delineating the marks accorded to preliminary test, main examination with division of marks for the subjects and interview.

Students posed numerous questions and they were all satisfactorily answered by the resource persons. The feedback received from the students was quite encouraging in the sense that they seemed eager to take up this challenge and were hopeful of succeeding as well. It was one of the most interesting and truly enlightening sessions that threw light on opportunities available to our students after graduation.
