REPORT

Faculty Development Program on **How to Prepare Proposals for Research Projects,** **Minor and Major**

On 02.02.2021 the IQAC of IWASC organized an FDF on **How to Prepare Proposals for Research Projects, Minor and Major** at 10.00 am with Dr. A. Sait Sahul Hameed, Co-Chairman, DBT Govt. of India, New Delhi, as the chief guest.

The session began with a rendering of verses from the Holy Quran, its translations in English & Tamil and Tamil Thaivazhthu. The audience comprising of nearly 60 teaching faculty and research scholars from various colleges like KMG College of Arts & Science, Giudiyattam, Mazharul Uloom College Ambur and Islamiah College, Vaniyambadi, along with the faculty of IWASC were welcomed by the IQAC member, Ms. M. Arshiya Tarannum. The Felicitation address was delivered by Dr. Major Syed Shahabuddeen, Advisor, IWASC. in which he reinforced the need for not merely Teaching-Learning, but Research as necessary part of every teacher of HEI's basic responsibility.

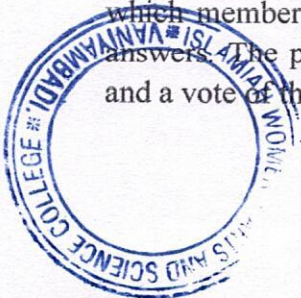

Dr M. Renu, Principal, IWASC gave the Presidential address which focused on the need for the teachers to consistently upgrade themselves so as to be able to keep pace with the changing needs of the changing times.

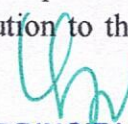

The rather impressive introductory Profile of the resource person was presented by Ms. Shazia Saqlain, member, IQAC while the resource person was honored by Mr. C. Khaiser Ahmed, Secretary & Correspondent, IWASC.

The resource person Dr. A. Sait Sahul Hameed, began with an introduction of his own laboratory and provided a glimpse of some of the most successful projects that have later been commercialized The various funding agencies available to researchers belonging to diverse fields were then highlighted and the maximum funds that could be applied for from each depending upon the credibility of the proposal were discussed.

The resource person then spoke about the multitude of initiatives the government of India and the governments of different countries have taken in order to help the researchers collaborate and work successfully. He then gave important pointers on how to frame effective research proposals and strongly stressed upon the need to adhere to a preplanned time schedule to acquire results. Any kind of procrastination is to be strictly avoided. Besides giving some basic ideas about how to frame topic/ title for the research and how to decide on methodology and tools, he insisted that the success of a research is largely dependent on the integrity of the researcher.

The illuminating and enlightening session was then followed by an interactive session in which members from the audience posed their doubts to the resource person and received answers. The program came to a conclusion with certificate distribution to the participants and a vote of thanks.
