Sir,

Sub: Requisition Letter for Permission to conduct an Industrial Visit- Reg.

I am hereby writing this letter on behalf of the Department of Chemistry and Zoology at Islamiah Women's Arts and Science College, Vaniyambadi, seeking your permission to conduct an industrial visit to your esteemed company, on 18th February, 2021. Ours is a well-reputed educational institution located in Vaniyambadi, famed for its quality education.

The group would be seventy eight visitors, including faculty members. Being students of science, this visit would help in a better understanding of various concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the functioning of the industry. We intend to take a round of the entire industry and show the tasks handled in different sections of the industry.

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same. We look forward to a positive reply from your side.

Thanking You,

Principal
