Plant Varieties

> Plant breeders' rights (PBR), also known as plant variety rights (PVR), are rights granted to the breeder of a new variety of plant that give the breeder exclusive control over the propagating material (including seed, cuttings, divisions, tissue culture) and harvested material (cut flowers, fruit, foliage) of a new variety for a number of years.

> With these rights, the breeder can choose to become the exclusive marketer of the variety, or to license the variety to others.

NATIONAL POLLUTION CONTROL DAY REPORT

YRC organized a program on "National Pollution Control Day" on 2nd December, 2021 in Seminar Hall. S. Aruna (Head of The Department of BioChemistry) was the guest of honor of the day. She addressed the students by presenting a PPT about "National Pollution Control" to raise awareness about the hazards of Air pollution. It was an informative session. Students from various departments had gathered and it was a very interesting program which came to an end successfully.

NATIONAL POLLUTION CONTROL DAY

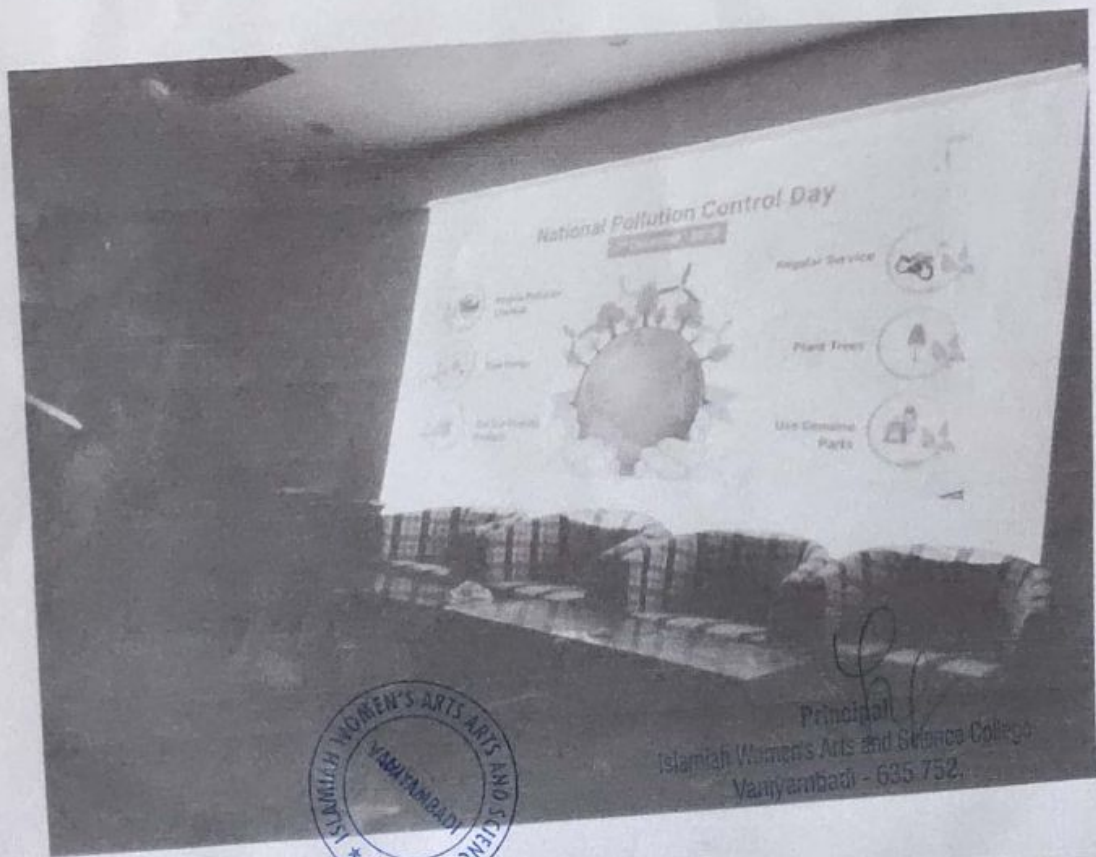

National Pollution Control Day

The National Pollution Control Day is observed every year on December 2nd in remembrance of the day that India was the first country to sign the Montreal Protocol on the phase-out of the ozone-depleting substances on the intervening night of December 2-3 in 1984. The effects of that disaster are felt even now after more than 35 years.

YRC WORLD FOOD DAY REPORT

YRC organized a program on World food day on 16.10.2021- One day seminar on "FOOD SECURITY" at 10:00 am in Seminar hall.

World Food day is an international day celebrated every year worldwide On 16th October to commemorate the date of the founding of the United Nations Food and Agriculture organisation in 1945.

The day is observed widely by many other organisations concerned with hunger and food security, including the World Food Programme, the World Health Organisation and the international fund for agricultural development.

Dr.Eswari (Head of the department of nutrition) addressed the student's with a presentation mainly focused on the poor and needy who suffer day to day from hunger.

The main purpose of celebrating the World Food day was to deliberate the value of food and create awareness of the sufferings of the peoples in living in poverty.

The pictures shown in the presentation were Quit moving easy to relate with the scarcity of food and world hunger.

In India 3,00,000 children die annually due to hunger. More than 30 cores indians go to sleep hungry.

As Indians and youth of the nations its our responsibility to contribute to the eradication of this malady in our country .

The presentation was excellent and the program came to a successful completion .
