PG AND RESEARCH DEPARTMENT OF ENGLISH

A REPORT ON FIELD TRIP

On 23rd December 2021, 24 students of I M.A and II M.A along with four faculty members from English Department visited 'YELAGIRI HILLS' for field trip as the part of the syllabus. Students made a survey depending upon their requirement of their titles. They were taken to various spots like Herbal Garden, Lake, Nature Park. They visited Niloor to get the census of the houses located there in order to know about the social life of the native people in Yelagiri. Students from the Herbal Garden collected various plants known for its medicinal values. A visit to lake gave a very interesting experience as the students learnt the ecological system of the place. In addition to this, they were also taken to various places like the agricultural fields, Tourist spots, villages and Sports Zones which gave them a very enriching experience. On the whole, the trip was very useful and the students were able to gather lot of information for their projects.

Thanking you,

Yours faithfully,
