Proposal - Resource Person for IPR Legal Awareness Program

1 message

Principal lwc <principaliwc@gmail.com>
To: thenmozhicbe.p@gmail.com

3 November 2021 at 14:10

Madam,

We take great pleasure in inviting you to be the Resource Person for a Legal Awareness Program we plan to conduct in the month of November through which we specifically intend to educate our students on Intellectual Property Rights.

Our college not unlike most other higher education institutions is intent on research. We request you to kindly accept our invitation to provide our students with the basics of IPR and how they can protect themselves and their work from being exploited for the lack of awareness.

Also, in the event of your acceptance of our proposal, we request you to kindly give us a date and time of your convenience to schedule the program.

INTERNAL QUALITY ASSURANCE CELL

AWARENESS PROGRAM on INTELLECTUAL PROPERTY RIGHTS REPORT

The Internal Quality Assurance Cell of Islamiyah Women's Arts & Science College organized an Awareness program on INTELLECTUAL PROPERTY RIGHTS with Ms. P. Thenmozhi, Master of Laws, Advocate, Coimbatore, as resource person on 13.11.21 at 1.30 p.m. in dual mode via MS Teams in the seminar hall.

The program opened with a prayer by a student of III B.A. English with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal spoke about the students' ability to conceive and create innovative ideas and products that largely remains untapped or goes unrecognized. She insisted that a person who is aware of her legal rights shall be better able to protect herself and her work from plagiarism and so on.

Ms. P. Thenmozhi, who has nearly 13 years of experience in handling Civil law suits, Consumer cases, legal cases etc., spoke to the students about some of the most popular brand names that went under the hammer for issues in ownership and copyrights. She gave a presentation that was clear and concise, making a case for the several ways one could get sucked into the legalities concerning a product, print or any new discovery. She urged the students to register themselves and their work/products immediately after the preliminary stage is cleared to avoid getting into legal battles.

The students of II & III UG and II PG of all the departments participated in the program via MS Teams and benefitted from the information dispensed by the resource person. The questions posed by the students and a staff were satisfactorily answered by the resource person.
