INTERNAL QUALITY ASSURANCE CELL

WOMENS' DAY AWARENESS PROGRAM on GENDER EQUITY EQUAL IS NOT ENOUGH

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a . Women's day Awareness program on Gender Equity - EQUAL IS NOT ENOUGH with Ms. Shaista Rafat, Member, Central Advisory Committee, JIH, Women's Wing, General Secretary, The Women Education and Empowerment Trust, TWEET, New Delhi and Ms. Rizwana Shakil, Journalist and Social activist, Vaniyambadi as resource persons on 08.03.22 at 11.00 a.m. in the auditorium.

The program commenced with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She began the session with the question of rights and duties of both men and women and how each should be made to take responsibility for their actions affecting the other.

Ms. Shaista Rafat, spoke on the essence of equity since men and women can NOT be considered as equals, there can be no question of equality between them. Based on our biological and cultural constraints, our economic, financial and societal roles are manipulated by the powers that be. Again, our roles may not be what is defined by another, nevertheless, they still need to be viable and within boundaries of decency and decorum for both men and women. Ms. Rizwana Shakil agreed that for a peaceful, harmonious and mutually progressive and productive environment to form, both men and women, rather than accuse and pull one another down can lend a hand to lift each other up.

Final year students of all the departments actively and enthusiastically participated in the program with several students speaking of their experiences and sharing their dreams of achieving something great despite all odds in their lives.

DISASTER DEDUCTION REPORT

Youth Red Cross organised programme on account of "International Day for disaster risk and reduction" on 14 October at 10:00am in seminar hall.

International Day for disaster risk and reduction is celebrated on 13th October annually for developing countries to reduce their disaster risk and disaster losses.

The day observes how people and communities around the world are reducing their exposure to disasters and raising awareness about the importance of reining in the risk that they face.

The day aims to promote a global culture of risk awareness and disaster reduction.

Dr.Kalpana head of the department of Zoology was the resource person of the day. She addressed the students on the topic "DISASTER AWARENESS AND REDUCTION"

She spoke about the common risks and potential threats in our day to day life and the necessary precautions we can and need to take.

Even the biggest of disasters can be reduced if we are cautious about it. It is completely in our hands as to how we manage the threats by being a little proactive which can certainly save us from many complications in life.

The program was Very useful as recently India has faced and is still facing the most threatening situation of Covid-19.

The program came to an end successfully.

With Regards

BLOOD DONATION CAMP REPORT

Date: 10.03.2022

Venue: Auditorium

Time: 10.00 am- 2.00 pm

Youth Red Cross of Islamiah Women's Arts & Science College organises a Blood Donation Camp annually.

This year on 10.03.2022, (Tuesday) the Blood Donation Camp was conducted. DR. Tanveer Ahmed, MBBS, DLD, ENT, Blood Bank Officer, Govt Hospital Vaniyambadi and Dr. Sindhu, MD, General Physician Govt Hospital Vaniyambadi and their team visited our college for the Camp.

Majority of the students from our college enrolled themselves in Blood donating activity and around 100 students donated their blood and 2 staff members donated their blood.

Prior to the blood donation, the donors were examined by the doctors to check their blood groups, height, weight and haemoglobin levels. The students who were anaemic were declared to be unfit for blood donation.

An Awareness on Blood donation was given to the students by YRC student secretary. The blood donors were provided with refreshments after the collection of blood.

As a result the camp ended successfully. The students were provided with certificates of appreciation by the higher medical officials.

Elocution Program Report

YRC organised an Elocution program on account of "International Day of Non-Violence" on 04.10.2021 at 10:00am in the B block.

Students from many departments took part in the program and gave speeches on the topics of

- Leadership qualities
- GANDHIJI's Philosophy on Non-Violence
- International day of Non-Violence

The International Day of Non-Violence is observed on 2nd October every year, the Birth Anniversary of India's Independence Movement hero Mahatma Gandhi. The resolution reaffirms the universal relevance of the principle of Non-Violence and the desire to secure a culture of peace, tolerance, understanding and Non-Violence.

The International Day of Non-Violence was first commemorated in 2007, when the United Nations General Assembly approved a resolution on June 15, 2007, declaring that this day provides an opportunity to "<u>disseminate</u> the message of non-violence, particularly via education and public awareness"

The students related in a lucid & engaging manner ,the struggles of our leaders and especially Mahatma Gandhi whose efforts brought peace and security to our Country.

Suha Manaal.P from II year IDD made a huge impression on the judges.Her performance was regarded as the best among all the participants.

The program was a resounding success.

YRC WORLD FOOD DAY REPORT

YRC organized a program on World food day on 16.10.2021- One day seminar on "FOOD SECURITY" at 10:00 am in Seminar hall.

World Food day is an international day celebrated every year worldwide On 16th October to commemorate the date of the founding of the United Nations Food and Agriculture organisation in 1945.

The day is observed widely by many other organisations concerned with hunger and food security, including the World Food Programme, the World Health Organisation and the international fund for agricultural development.

Dr.Eswari (Head of the department of nutrition) addressed the student's with a presentation mainly focused on the poor and needy who suffer day to day from hunger.

The main purpose of celebrating the World Food day was to deliberate the value of food and create awareness of the sufferings of the peoples in living in poverty.

The pictures shown in the presentation were Quit moving easy to relate with the scarcity of food and world hunger.

In India 3,00,000 children die annually due to hunger. More than 30 cores indians go to sleep hungry.

As Indians and youth of the nations its our responsibility to contribute to the eradication of this malady in our country .

The presentation was excellent and the program came to a successful completion .

OUTREACH PROGRAM ON TEACHING BASIC GRAMMAR FOR SECONDARY SCHOOL STUDENTS PLACE: KHADERIA HR. SEC. SCHOOL DATE: 29-03-2022 TO 04-04-2022 TIME: 9:30 TO 11:30

First of all, I would like to express my immense gratitude to Respected Secretary and Correspondent Mr. C.Khaisar Ahmed sir, Eminent Principal Dr. M. Renu ma'am, Hard working HOD Ms. A. Meenaz Banu ma'am, Extremely Talented Dr. C.Deepa ma'am, Skillful and Supportive faculty members Ms.D.Lakshmi ma'am and Ms. K. Priya ma'am for organizing such a great training program and providing this wonderful opportunity for us, students.

Around 22 Students from Final B.A, PG & Research Department of English participated in the "Out Reach Program on Teaching Basic Grammar for Secondary School Students" at Khaderia Higher Secondary School, Vaniyambadi. We taught grammar [Noun, Verb, Sentence, Tense] to 6th-9th students for five days. It was a very great experience to us, all the students were very passionate, dedicated and respectful. Their thirst for knowledge and ingeniousness made us put more efforts while teaching them. Students were very co-operative and obedient. The school atmosphere was very pleasant and the school management made us feel very comfortable. We gained and spread enormous knowledge through this program. As an encouragement we gifted the students with pens, keychains and chocolates for their active participation.All the classes went very productive and interesting. The students interacted with us very effectively and at the same time expressed their doubts without any hesitation. As a fresher in the teaching profession, this itself is a great achievement to us.

Now we are confident about ourselves that we are able to impart the textual knowledge and at the same time keep them fascinated.During the last day of the training program, the school management organized a session for us, where we were given tips for attending interviews, which we found extremely useful and we were also asked to give overall feedback about their students and the School. They gave very good response to us. We completed our 5 days training in a great note and made beautiful memories which we would cherish forever.

REPORT

Community Service

The Department of Interior Design & Décor organized community service programme from 30.05.2022-31.05.2022 at Islamiah Boys Elementary School, Vaniyambadi and planned to design the classroom from LKG to V std.

The Students of I, II, III UG Interior Design & amp; Decor visited Islamiah boys elementary School Vaniyambadi and designed the classroom from LKG to V std according to the educational needs. The student's customised chart like numbers alphabets, Urdu Iteers, Tamil Letters, Solar System, Multiplication Table, Seasons, Weekdays etc and wall painted the staff room after the discussion with principal and faculty of the respective school.

To The General Manager, Tamil Nadu State Transport Corporation, (Villupuram Ltd) Vellore – 9

Respected Sir,

Sub:- Requisition for Transport facility - Jarapandai, Mandarakuttai - Reg.

I wish to bring to your kind notice that Islamiah Women's Arts & Science College has adopted few villages under "UNNAT BHARAT ABHIYAN". As per observation done on the villages, it is found that few villages lack transport facility, which affects students education and Residents of the villages cannot easily commute from one village to other for basic needs. Thus I kindly request you to consider our representation favourably and provide transport facility for the following places –Jarapandai, Mandarakuttai which will be highly beneficial to the residents of the villages.

Thanking you

With Regards (Dr.M.Renu)

REPORT OF THE EXTENSION ACTIVITIES

Herewith I am narrate the extension activities carried our at Kirishnakiri Dam. Actually the extension activities were organized by the PG and Research Department of Commerce on 14/06 /2022 from 2.00 pm to 5.00pm for 63 students from I .B.Com, 47 students from II B.Com and 58 students from III B.Com at krishnagiri dam, Krishnagiri. The extension activities are carried out.

- To Cleaning the children's parks in the dam
- To Sensitizing the students about water pollutions and its impact on the society and students will create the awareness about water pollution to the public in the dam.
- To ensure the holistic development of students from non pollution of water

First the sudents cleaned the children's park in the dam. The faculties of the commerce department created the awareness about water pollution to all the students. Finally all the students explained and created the awareness about water pollution to the public. All the students realized the impact of water pollution. They realized that polluted water spoil the crops and kill the species living the water and also it is harmful to the human beings. After the few month, The non polluted water was irregated and famers got the good produces and water species are living well. Consently, the public and students get the advantages of non water pulltions.
