### A REPORT

### ONE DAY WEBINAR – ‘RESEARCH METHODOLOGY

“One of the most fascinating aspects of research is its omnipresence, the practice of gathering data, analyzing it and gathering insight be applied in a staggering variety of setting – from science to social studies, business to politics and beyond. As well as its multitude of applications research can also draw on a range of subject matter to improve and the practice” – Christopher Martin 31<sup>st</sup> January 2022 was a very productive day, as PG and Research Department of English organized one day webinar on the topic ‘Research Methodology’. The resource person who engaged the Session was Dr T.S Vardharajan, Assistant Professor of English, PG & Research Department of English, Thiagarajar College (Autonomous), Madurai. The session though virtual was very vibrant and informative. Dr Vardharajan gave a detailed description on the nuances of research techniques like what is research, what are the methodologies to be followed while doing research work etc. He elicited it with effective examples to make the concept comprehensible. The session was very enlightening as it catered to the need of the hour. Our students expressed a sense of satisfaction. The program was indeed beneficial as it gave them the ideas to proceed with their project work.

INTERNAL QUALITY ASSURANCE CELL

**STUDENT DEVELOPMENT PROGRAM**

**INTELLECTUAL PROPERTY RIGHTS**

**REPORT -06.04.22**

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Personality Development Program with Mr. Lakshmi Narayanan A, Examiner of Patents and Designs, Officer (Group A Gazette), Intellectual Property Office, Govt. of India, as resource person on 06.04.22 at 10.30 a.m. in dual mode via MS Teams in the seminar hall.

The program began with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal started the session noting the several achievements made by Indians over the years and the acknowledgement they have received world over. She believes every student to be gifted in some way or the other. To harness the talent after identifying is hard enough. But what she feels more important is the recognition and acknowledgement that should follow the effort invested by them.

Mr. Lakshmi Narayanan gave an in-depth understanding of the necessity, regulatory strictures, advantages and the various kinds of acknowledgement of ownership by the government under the all-encompassing umbrella of Intellectual Property Rights. He gave examples of how patents, trademarks, copyrights, and trade secrets work from closer home. Instances of copyrights infringement in the academia are very many. He advised the students on how best they could protect and stimulate the development and distribution of new products and the provision of new services based on the creation and exploitation of inventions, trademarks, designs, creative content or other intangible assets.

The students attending the program benefitted greatly from the presentation and especially those involved in research activities agreed the program to be of great use in future.
