## TUBERCULOSIS AWARENESS PROGRAM -

### REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a TUBERCULOSIS AWARENESS PROGRAM with Dr. Nethaji, MD, Government Hospital, Vaniyambadi and Mr. Ravichandran, PPM, DTC, Vellore, as resource persons on 16.03.22 at 11.00 a.m. in the auditorium.

The program began with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She began the session with a basic introduction about Tuberculosis and how it could affect just about anyone irrespective of age, gender or physical fitness.

Dr. Nethaji began by offering an apology on behalf of Dr. Pasupathy and Dr. Ambika Shanmugam for their absence as they were called in to attend an important meeting of higher government officials.

Dr. Nethaji livened up his talk and got his audience fully involved by giving away prizes (chocolate bars) to the students answering his questions on TB. He was assisted by two other doctors from GH, Vaniyambadi, and volunteers from an NGO comprising of TB survivors. The session was very informative as it effectively removed the common myths surrounding the disease giving hope to the infected of living a healthy TB-free life post treatment. Mr. Ravichandran, commenting on the initiatives taken by the government to curb the spread of the disease, urged the students to spread the message among their acquaintances in order to create a TB free world.

Final year students of all the departments actively and enthusiastically participated in the program.

WORKSHOP ON  
TROUBLESHOOTING TEAMS

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Workshop on TROUBLESHOOTING TEAMS with Dr. KAVITHA, Principal, Al-Huda Matriculation School, Vaniyambadi on 11.08.2021 at 10.30 a.m in Islamiah College (A) campus. All the faculty members participated in three separate sessions.

Dr. M. Renu, Principal, IWASC addressed the participants and spoke on the reason for organizing the workshop as most of the teachers were facing numerous technical difficulties while working on MS Teams for their classes.

Dr. Kavitha, who has successfully made use of the application in her school to its maximum potential addressed the numerous issues the faculty members had been facing while taking class like, scheduling assignments, recording and retrieving the recorded class or collecting attendance after class etc., She trained the teachers on how to make use of the Whiteboard in the Teams app and also on sharing screen including audio from the device besides giving important pointers on engaging the students completely with ease.

The teachers posed numerous questions and they were all satisfactorily answered by the resource persons. The feedback received from the faculty members was positive and showed renewed interest in exploring the possibilities offered by MS Teams to make each class productive and engaging.

As a follow-up, the resource person sent answers to queries she had been unable to answer due to time constraint during the sessions.

# FACULTY DEVELOPMENT PROGRAM ON

## TECHNOLOGICAL TEACHING TOOLS

### REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Faculty Development Program on TECHNOLOGICAL TEACHING TOOLS with Dr. SRIDHARAN A, Professor, School of Business Studies and Social Sciences, Christ University, Deemed to be University, Banarghatta Campus, Bengaluru, on 26.08.2021 at 10.00 a.m in the seminar hall through video conferencing via MS Teams. All the faculty members participated in the program.

Dr. M. Renu, Principal, IWASC gave the Presidential address and impressed upon the audience the immediate need to equip each and every teacher with adequate technological teaching tools to overcome the numerous hurdles and glitches hitherto unseen.

Dr. Sridharan A, who has nearly 40 years of experience in the corporate sector and the academia was immensely knowledgeable and shared his expertise in both the avenues which was wholesome and necessary. The constant need for targeted improvement, he said, was absolutely essential for every teacher to keep up with the changes occurring in the educational field every day. Beginning with Moodles like Google Classroom, Zoom, MS Teams etc., he introduced numerous user friendly applications available online for improving productivity in the classrooms, both physical and virtual. He also insisted on personal development in the academia and urged the teachers to focus on research and publications besides teaching.

The teachers posed pertinent questions on creating assignments and self-publishing etc., and they were all satisfactorily answered by the resource person. Feedback was collected from the faculty members that reflected the sentiments of the majority of the teachers intending to utilize the pointers and applications shared by the resource person during the FDP.

INTERNAL QUALITY ASSURANCE CELL

## STUDENT DEVELOPMENT PROGRAM ON LEARNING TOOLS FOR BETTER ACQUISITION REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a student development program on LEARNING TOOLS FOR BETTER ACQUISITION with Dr. S. Kumar Chandar, Associate Professor, School of Business and Management, Christ University, (Deemed to be University), Bangalore, as resource person on 20.10.21 at 11.00 a.m. in dual mode via MS Teams in the seminar hall.

The program opened as usual with a prayer by a student of III B.Sc. Biochemistry, a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The conventional and the modern modes of teaching and learning, said the Principal, are both essential for establishing a truly comprehensive and holistic educational platform in the higher education system. She urged the students to be more proactive in acquiring knowledge and equipping themselves with necessary skills in order to become better able to face the world after graduation.

Dr. S. Kumar Chandar, made mention of various web/ mobile applications, Moodle, OER resources, Podcasts, video lectures etc., that are both user-friendly and cost-effective and make for great learning experience. But more importantly, he spoke about the cognitive enhancement of the learner via effective practices that involve logical reasoning, problem solving and critical thinking activities abundantly available online. He made a case for the use of web/ mobile applications like Kahoot, TED-Ed, duolingo etc., for developing skills in specialized subjects besides the core skills.

The final year students of all the departments participated in the program and benefitted from the information dispensed by the resource person.
