INTERNAL QUALITY ASSURANCE CELL

CAREER GUIDANCE PROGRAM on PREPARING FOR COMPETITIVE EXAMINATIONS REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Career Guidance program on PREPARING FOR COMPETITIVE EXAMINATIONS with Dr. K. Sathish, MBBS., MD., Senior Assistant Surgeon, Government Headquarters Hospital, Dindigul, as resource person on 17.12.21 at 10.30 a.m. in the seminar hall.

The program commenced with an invocation by a student of III B.A. followed by a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal opened the talk with questions about the students' willingness to work for the country and the various ways in which they may be able to serve the people of this nation. The surest way to be of use to fellow countrymen would be, she said, to enter government services.

Dr. K. Sathish has been besides being a medical professional in his field an extremely talented and multifaceted person committed to engaging the youth of India in nation building process. He talked about his own experiences as a student who did not score much at school but later developed interest and wanted to serve the country and worked towards entering the government sector via civil service examinations. He spoke about candidates who have had numerous issues and difficulties in their personal lives that could have been obstacles for them had they given up but with endless perseverance cleared those hurdles and ended up in positions responsible for making major life-changing decisions every day.

The final year students of B.A., BBA, B.Sc. Chemistry, Foods and Nutrition, Biochemistry, and B.Com CA participated in the program and benefitted greatly from the important details of the various levels and kinds of examination that come under the umbrella term TNPSC, along with basic tips and pointers about the preparatory stages of examinations by the resource person. The questions posed by the audience were satisfactorily answered and were promised further counseling at any given time in future.

Career counselling program
on
"opportunities in higher studies"

↳ The program was really effective, i had a very great experience in this program. The chief guest interacted very well with the audience. He gave ideas on various professions which i had no idea of. By the end of the session, I cleared my doubts with the chief guest. Even though, the program took place in online mode, it was very efficient.

Rewarding the Best

Dear Student,

Greetings from Avodha - Education for a Job, Established in the year 2018, Avodha stands tall when it comes to Education for a Job.

Results from this assessment test help employers to narrow down the selection pool to make an informed decision.

The test is NOT based on the department or the field of your interest; it is designed in such a way which covers major aspects of learning not just narrows down to a particular branch of study. Hence it is designed for ALL the candidates.

NOTE: If by any chance you do not get selected in this aptitude test, this definitely DOES NOT mean that you are not worthy or not enough, what does it mean is you need to practice more, pull up your socks and give your best in what comes your way.

Respected Madam,

This has reference to the discussion we had today with Ms.Manjula for conducting Online Career Awareness Programme for your College students 15.12.2021 at 10.30 a.m. Please confirm.

As you may be aware, The Institute of Company Secretaries of India (ICSI) is a premier professional body set up under an Act of Parliament, i.e., Company Secretaries Act, 1980, for the regulation and development of the profession of Company Secretaries in India. It functions under the jurisdiction of Ministry of Corporate Affairs, Government of India. The Institute, being a pro-active body, focuses on best and top-quality education to students of Company Secretaries Course and best quality set standards for CS members. The institute has over 62,000 members and about 3.5 lakh students on its roll.

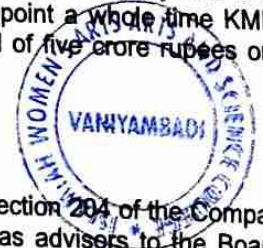

ICSI has its Headquarters at New Delhi and 4 Regional Councils at Chennai, Kolkata, Mumbai & New Delhi, 72 Chapters, 1 Centre of Excellence and 1 Centre for Corporate Governance Research & Training spread all over India.

The CS Course is by Correspondence / Distance Learning with provision for optional oral coaching classes. There are three stages [CSEET, CS-Executive and CS-Professional Course] to be pursued to qualify as a Company Secretary and a compulsory training requirement.

The University Grants Commission has recognized Company Secretary Qualification as equivalent to Post Graduate Degree based on representations submitted by The Institute of Company Secretaries of India. This recognition will leverage the Company Secretary Profession across the globe, giving the members of the Institute an opportunity to pursue Ph.D. in Commerce and Allied Disciplines.

The Companies Act, 2013 Act confers a special status to Company Secretary as the Key Managerial Personnel (KMP) and has bracketed him along with Managing Director (MD) or Chief Executive Officer (CEO) or Manager, Whole-time director(s) or Chief Financial Officer (CFO). It is mandatory for every listed company and every other public company having a paid up share capital of ten crore rupees or more to appoint a whole time KMP. Also a company other than a company covered above which has a paid up share capital of five crore rupees or more is required to have a whole-time company secretary.

Principal,
Islamiah Womens Arts and Science College

The Principal began the session with a short anecdote relating to how a certain attitude of mind helps one to visualize their future which in turn is instrumental in making it concrete.

Ms. Chitra Anantaraman, who has been a recipient of numerous awards in out of India, spoke about the various career opportunities that are available today, her prime focus being career as a Company Secretary, which is vastly underestimated by majority of graduates. Aspiring to become a Company Secretary would require one to be multifaceted and skilled in all aspects including legal, economic and finance apart from being a corporate planner, well versed in the regulations and by-laws, administrative management etc., The rewards of such diligence, the resource person said, were numerous and the perks and promotions were endless.

The final year students of BBA, B.Com and B. Com CA actively and enthusiastically participated in the program and benefitted greatly from the information dispensed by the resource person. The questions posed by the audience were satisfactorily answered by the resource person.
