WOMENS' DAY AWARENESS PROGRAM ON GENDER EQUITY

EQUAL IS NOT ENOUGH

REPORT

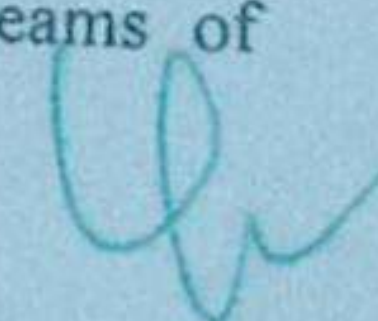

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Women's day Awareness program on Gender Equity - EQUAL IS NOT ENOUGH with Ms. Shaista Rafat, Member, Central Advisory Committee, JIH, Women's Wing, General Secretary, The Women Education and Empowerment Trust, TWEET, New Delhi and Ms. Rizwana Shakil, Journalist and Social activist, Vaniyambadi as resource persons on 08.03.22 at 11.00 a.m. in the auditorium.

The program commenced with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She began the session with the question of rights and duties of both men and women and how each should be made to take responsibility for their actions affecting the other.

Ms. Shaista Rafat, spoke on the essence of equity since men and women can NOT be considered as equals, there can be no question of equality between them. Based on our biological and cultural constraints, our economic, financial and societal roles are manipulated by the powers that be. Again, our roles may not be what is defined by another, nevertheless, they still need to be viable and within boundaries of decency and decorum for both men and women. Ms. Rizwana Shakil agreed that for a peaceful, harmonious and mutually progressive and productive environment to form, both men and women, rather than accuse and pull one another down can lend a hand to lift each other up.

Final year students of all the departments actively and enthusiastically participated in the program with several students speaking of their experiences and sharing their dreams of achieving something great despite all odds in their lives.

PERSONALITY DEVELOPMENT PROGRAM

REPORT -05.04.22

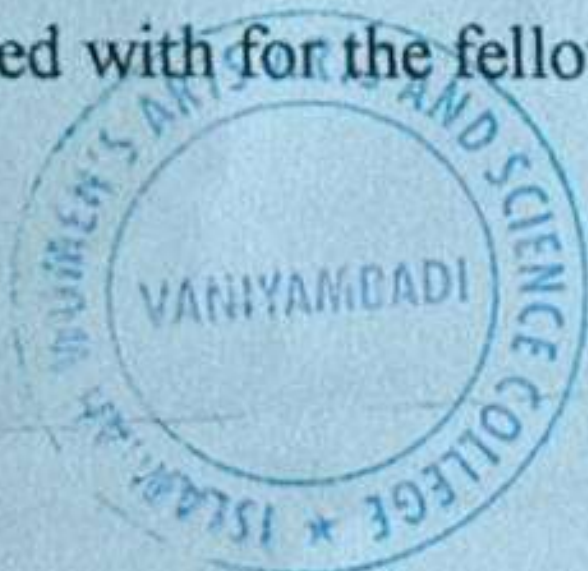

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Personality Development Program with Ms. Zuha Thaqdees P, Nuraniah & Quran (Hifz) Teacher, Preston International College, Chennai and Mr. Ataur Rahman, Business Development Manager, Dubai, as resource persons on 05.04.22 at 11.00 a.m. in the seminar hall.

The program began with a prayer by a student of III B.A. English with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She spoke about the essential requirements of a well-developed personality for a candidate seeking gainful employment.

Ms. Zuha Thaqdees spoke on 'Humanitarianism – An Ideology or Belief?' in which she expounded the virtue of the attributes of a person practicing humanitarianism. She insists that world requires people caring about collective welfare of the mankind rather than a select group or section of people they identify with. She believes that social reform or any kind of growth and progress is possible only when we stop being selfish. Humanity, impartiality, neutrality, independence, voluntary service, unity and universality are essential component of a humane society.

Mr. Ataur Rahman's talk centered on 'Employment Training' and his presentation focused on the challenges faced by a fresh graduate in the job market. He disabused many of the myths trending on traditional modes and the modern methods of employment. His argument was supplemented with well researched data about the average employability of a person content with subject specific knowledge versus a person who does not hesitate taking up new roles and tasks learning better and more each day through the obstacles and hurdles she faces turning them into lessons that help her grow as a person and an asset for any organization she is hired into.

Final year students of all the departments benefitted from the lectures and got to understand that the aptitude for learning should be cultivated while not denying the responsibility one is entrusted with for the fellow beings. One cannot progress alone should be the keyword.

Subject: Request for conducting Career Awareness Programme for students on 15.12.2021 at 10.30 a.m.

The Principal

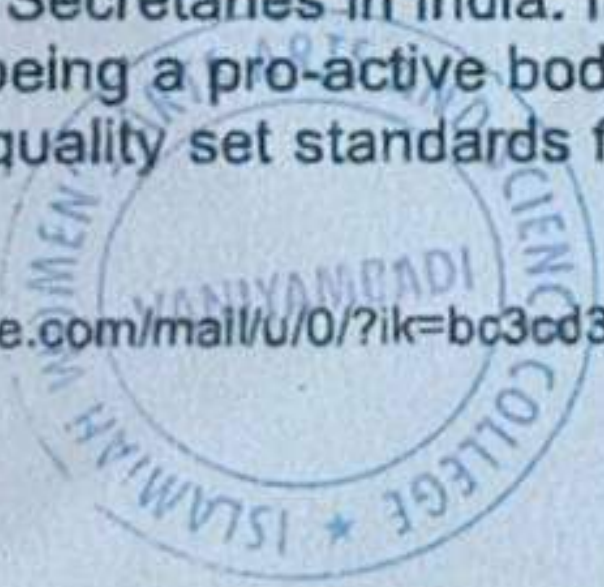

Islamiah Womens Arts and Science College,

Vaniyambadi, Vellore, Tamilnadu

Respected Madam,

This has reference to the discussion we had today with Ms.Manjula for conducting Online Career Awareness Programme for your College students 15.12.2021 at 10.30 a.m. Please confirm.

As you may be aware, The Institute of Company Secretaries of India (ICSI) is a premier professional body set up under an Act of Parliament, i.e., Company Secretaries Act, 1980, for the regulation and development of the profession of Company Secretaries in India. It functions under the jurisdiction of Ministry of Corporate Affairs, Government of India. The Institute, being a pro-active body, focuses on best and top-quality education to students of Company Secretaries Course and best quality set standards for CS members. The institute has over 62,000 members and about 3.5 lakh students on its roll.

Principal
Islamiah Women's Arts and Science College
Vaniyambadi - 635 752.

ICSI has its Headquarters at New Delhi and 4 Regional Councils at Chennai, Kolkata, Mumbai & New Delhi, 72 Chapters, 1 Centre of Excellence and 1 Centre for Corporate Governance Research & Training spread all over India.

The CS Course is by Correspondence / Distance Learning with provision for optional oral coaching classes. There are three stages [CSEET, CS-Executive and CS-Professional Course] to be pursued to qualify as a Company Secretary and a compulsory training requirement.

The University Grants Commission has recognized Company Secretary Qualification as equivalent to Post Graduate Degree based on representations submitted by The Institute of Company Secretaries of India. This recognition will leverage the Company Secretary Profession across the globe, giving the members of the Institute an opportunity to pursue Ph.D. in Commerce and Allied Disciplines.

The Companies Act, 2013 Act confers a special status to Company Secretary as the Key Managerial Personnel (KMP) and has bracketed him along with Managing Director (MD) or Chief Executive Officer (CEO) or Manager, Whole-time director(s) or Chief Financial Officer (CFO). It is mandatory for every listed company and every other public company having a paid up share capital of ten crore rupees or more to appoint a whole time KMP. Also a company other than a company covered above which has a paid up share capital of five crore rupees or more is required to have a whole-time company secretary.

The company secretaries have also been empowered as secretarial auditor under section 204 of the Companies Act, 2013. For the first time in our country, the Company Secretaries are recognised as advisors to the Board on the affairs of the Company and all matters to ensure good Corporate Governance by the Act itself. They are also required to guide the Board on its own role, responsibilities and duties.

The opportunities are galore. However there is need to guide and train the students to become a Corporate Governance professional through the course of company secretaryship.

Looking forward for your response for conducting Career Awareness Programme to your students.

Kindly feel free to contact us for further details.

With regards,

Yours sincerely,

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized an Awareness program on CYBER CRIME with Ms. Prema, Inspector of Police, Crime Branch Officer, Tirupattur as resource person on 14.12.21 at 10.30 a.m. in the seminar hall.

Protecting oneself against unsavory individuals in real life, she says, is much easier than in the virtual world.

Ms. Prema, speaking of various kinds of crimes committed against innocent victims, persuaded the students to safeguard themselves especially against those that overtly pose no great threat but are far more lethal because the way they leave little trace or evidence behind. The resource person gave real time examples of cases they have handled ranging from email/ social media/ banking frauds, spyware, identity theft etc., and gave viable precautions one can take to protect themselves from becoming a victim of such attacks.

All the final year students of all the departments took part in the program and benefitted greatly from the information dispensed by the resource person. The questions posed by the audience were satisfactorily answered by the resource person.
