### FLAG DAY AWARENESS PROGRAM ON

### FLAG CODE OF INDIA

### REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a flag day awareness program on FLAG CODE OF INDIA with Ms. A Kalpana, Head, Department of Zoology & Assistant Professor, Islamiah Women's Arts & Science College for Women, Vaniyambadi, as resource person on 11.10.21 at 11.00 a.m. in the seminar hall.

The program opened as usual with a prayer and welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal spoke on the various forms of nationalism and how some are misinterpreted and misrepresented in the wrong hands. She went on to urge the students that irrespective of which caste, community or region they belonged to, they had to develop a sense of loyalty to the country they lived in and strive always to make the country proud.

Ms. Kalpana, began her talk with a brief video of a sportsperson receiving a world cup and the National flag turns out to be the highlight of the person. Rather than making a fuss about the person and his individual success, the focus is shifted to the nation and the collective dignity of all the Indians under the umbrella of the flag. The students of the first year UG classes were enthralled by the presentation that went on to share the specifications of the National Flag, including its size, shape and colour besides its design and conception, along with how it would be highly disrespectful to use it under certain circumstances or in a certain manner.

More than 400 students participated in the program and the resource person answered questions in the light of the constitution and the by-laws governing the flag code of India.

## WOMENS' DAY AWARENESS PROGRAM on GENDER EQUITY

### EQUAL IS NOT ENOUGH

#### REPORT

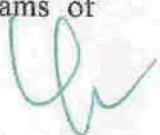

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Women's day Awareness program on Gender Equity - EQUAL IS NOT ENOUGH with Ms. Shaista Rafat, Member, Central Advisory Committee, JIH, Women's Wing, General Secretary, The Women Education and Empowerment Trust, TWEET, New Delhi and Ms. Rizwana Shakil, Journalist and Social activist, Vaniyambadi as resource persons on 08.03.22 at 11.00 a.m. in the auditorium.

The program commenced with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She began the session with the question of rights and duties of both men and women and how each should be made to take responsibility for their actions affecting the other.

Ms. Shaista Rafat, spoke on the essence of equity since men and women can NOT be considered as equals, there can be no question of equality between them. Based on our biological and cultural constraints, our economic, financial and societal roles are manipulated by the powers that be. Again, our roles may not be what is defined by another, nevertheless, they still need to be viable and within boundaries of decency and decorum for both men and women. Ms. Rizwana Shakil agreed that for a peaceful, harmonious and mutually progressive and productive environment to form, both men and women, rather than accuse and pull one another down can lend a hand to lift each other up.

Final year students of all the departments actively and enthusiastically participated in the program with several students speaking of their experiences and sharing their dreams of achieving something great despite all odds in their lives.
