### INTERNAL QUALITY ASSURANCE CELL

Report Faculty Development Program on

#### Research Paper Writing and Selection of Journals

The Internal Quality Assurance Cell of Islamiah Women's Arts and Science College organized a Faculty Development Program on Research Paper Writing and Selection of Journals with **Dr. J. Lesitha Kumari, Research Associate - Assistant Professor, Research Department of Biotechnology, Marudhar Kesari Jain College, Vaniyambadi** as resource person on 3.3.23 between 1.00 p.m. and 2.30 p.m. with over 90 faculty members in attendance in the Seminar hall.

The Principal, Dr. M. Renu, gave the presidential address in which she tried to impress upon the great need for productive research in the academia today. Research for the sake of research would be meaningless if not done with an enriched and awakened mind.

The resource person, Dr. J. Lesitha Kumari, who has had several years of experience in research, in a few short words dealt with the difficulties in research - choice of subject, identifying problems, selection of methodology, use of resources and finally filtering out reliable journals from the overflowing fake ones. She gave examples from several of her own completed and ongoing research the various obstacles one would invariably face and how best to encounter them.

The faculty members asked several questions regarding the selection of journals and especially about writing review articles and all were satisfactorily answered by the resource person.
