Medical Camp - Report

On September 10, 2022, the Red Ribbon Club undertook a commendable initiative by organizing a Welfare Medical Camp aimed at fostering awareness about uterine health. The focus of the camp was on educating participants, particularly students, about the importance of menstrual hygiene. Dr. Arshiya Sultana, Deputy Medical Superintendent, served as the distinguished resource person for the event, bringing her expertise to the forefront.

The medical camp witnessed the active participation of a dedicated team of 12 doctors from the National Institute of Unani Medicine, Bengaluru. Their collaborative efforts were directed towards the well-being of the community, with a special emphasis on providing insights into maintaining proper menstrual hygiene. The informative speeches delivered by the doctors played a pivotal role in disseminating crucial information, addressing misconceptions, and promoting a culture of open dialogue surrounding menstrual health.

In a noteworthy demonstration of community care, the medical team, consisting of these 12 doctors, not only provided valuable information but also offered free Unani medicine to over 350 students and 100 teaching and non-teaching staff. This holistic approach ensured that participants not only gained knowledge about menstrual hygiene but also had access to tangible resources to support their well-being.

The success of the Medical Camp lies not only in its capacity to benefit a substantial number of individuals but also in its broader impact on community health. By addressing a topic often surrounded by stigma, the Red Ribbon Club's initiative contributed significantly to breaking barriers and fostering a healthier and more informed community. This event serves as a shining example of proactive community engagement and the vital role educational institutions can play in promoting overall well-being.

Aadhar Card Camp - Report

On the auspicious date of November 11, 2022, the Red Ribbon Club (RRC) orchestrated a commendable Aadhar Name and Photo Correction Camp, bringing forth a transformative initiative to rectify discrepancies in vital Aadhar details. This progressive event unfolded within the premises of our esteemed institution, where members from the Vaniyambadi Head Post Office graciously extended their services to rectify errors in Aadhar cards, encompassing crucial information such as date of birth, name, photograph, and more. Remarkably, this service was rendered free of charge, exemplifying a community-centric approach to address administrative oversights.

The collaborative effort between the RRC and the Head Post Office proved to be an invaluable resource for both students and staff members alike. The seamless correction process demonstrated the commitment of these civic institutions to alleviate the burdens associated with inaccuracies in official documents. The convenience of having such a service directly on the college premises added an extra layer of accessibility for the college community.

The impact of this Aadhar correction camp was palpable as students and staff members expressed their gratitude for the opportunity to rectify inaccuracies effortlessly. Beyond the mere correction of details, the initiative served as a catalyst for awareness about the importance of accurate Aadhar information and the relevance of maintaining up-to-date records.

In conclusion, the Aadhar Name and Photo Correction Camp organized by the RRC in collaboration with the Vaniyambadi Head Post Office not only rectified vital details but also fostered a sense of community well-being. The resounding success of this event underscored the significance of such initiatives in ensuring accurate documentation for individuals, ultimately contributing to a more streamlined and efficient bureaucratic landscape.

Voter Awareness Camp - Report

On November 21, 2022, the Red Ribbon Club orchestrated a pivotal Voter Awareness Programme within our community, imparting essential knowledge about the electoral process. The event featured an enlightening speech delivered by Mr. Sampath, the esteemed Taluk Officer of Vaniyambadi. His address not only underscored the significance of active participation in the democratic process but also elucidated the responsibilities and rights inherent in exercising one's vote.

Adding another layer of practicality to the session, Mr. Balaji, the dedicated Taluk Office Coordinator, shared invaluable insights on the intricacies of creating a new voter ID and navigating the processes for necessary modifications such as name, address, and date of birth corrections. His expertise and guidance proved instrumental in demystifying what can often be a complex bureaucratic procedure.

The initiative was met with enthusiastic participation from both students and staff, who found the information provided to be not only relevant but also empowering. This proactive approach to voter education is crucial for fostering an informed and engaged citizenry. By equipping individuals with the knowledge and tools needed to navigate voter registration and corrections, the Red Ribbon Club's Voter Awareness Programme played a vital role in promoting civic responsibility and strengthening the democratic fabric of our community.

Kidney Stone Awareness – Report

On the 3rd of September 2022, the Red Ribbon Club orchestrated a significant Medical Camp in collaboration with SRM Nursing College, focusing on the diagnosis of kidney stones among both students and the general public. This health-centric initiative aimed to raise awareness about the prevalence of kidney stones and provide valuable insights into their prevention and management.

Dr. Banupriya, the Director of SRM Institute of Allied Health Science, played a crucial role in the event by delivering an enlightening session to our college students. Her expertise shed light on the factors contributing to the formation of kidney stones and offered practical guidance on effective preventive measures. This informative discourse not only served as an educational opportunity but also empowered participants with the knowledge to make informed decisions about their health.

The Medical Camp was graced by the presence of distinguished guests, Mr. Junaid Ahmed, the Secretary, and Dr. Raja, the Director of SRM Institute. Their attendance added a special dimension to the event, emphasizing the collaborative efforts between educational institutions and healthcare professionals to address prevalent health issues.

The diagnostic aspect of the camp, conducted in partnership with SRM Nursing College, provided an invaluable service to both students and the wider community. By offering screenings for the presence of kidney stones, the initiative enabled early detection and intervention, contributing to the overall well-being of the participants.

In essence, the Red Ribbon Club's collaborative Medical Camp not only addressed a pertinent health concern but also fostered a culture of proactive health awareness within the college and the surrounding community. The presence of esteemed guests and healthcare professionals further underscored the commitment to holistic well-being and exemplified the positive impact that such collaborative initiatives can have on the overall health and education landscape.

Public Health Development Centenary Celebration - Report

On the 19th of October 2022, a momentous event, Suder Jothi Sugathara Noorandu Vizha, unfolded under the auspices of the Red Ribbon Club (RRC), in collaboration with the Vaniyambadi Municipal Office. This vibrant celebration marked the culmination of the Public Health Development Centenary Torch's journey across the state, district by district.

As the torch traversed through various districts, its arrival in Tirupattur district was met with a warm and ceremonious welcome at our college. The RRC organized a special welcome ceremony to honor the torch's symbolic journey. Mr. C. Khaiser Ahmed, the Secretary and Correspondent, joined hands with members of the Vaniyambadi Muslim Educational Society and the Municipal Officer to formally receive the torch. This collaborative effort emphasized the spirit of community engagement and shared commitment to public health development.

The torch reception event witnessed the participation of esteemed individuals, including Dr. Pasupathy, the Dean of Government Hospital, Vaniyambadi. Dr. Pasupathy took the opportunity to address the gathering, which comprised social activists, as well as NSS and NCC students. His speech resonated with the significance of public health and community well-being, fostering a sense of responsibility among the attendees.

The Suder Jothi Sugathara Noorandu Vizha served as a platform for collaboration, dialogue, and collective action in the realm of public health. By involving key community figures and institutions, the event underscored the importance of joint efforts in promoting and sustaining the health and well-being of the community. The torch relay, with its symbolic journey, not only celebrated a century of public health development but also ignited a renewed sense of dedication to the ongoing pursuit of a healthier and more prosperous society.

AIDS Awareness Program- Report

On December 1, 2022, the Red Ribbon Club (RRC) took a proactive stance in commemorating World AIDS Day by organizing a comprehensive awareness program. Dr. Punithavathi, an ICTC Consultant from the Government Hospital in Vaniyambadi, lent her expertise to the event, engaging with students to disseminate crucial information about HIV/AIDS and emphasize preventive measures.

The awareness program sought to foster a deeper understanding of the global HIV/AIDS epidemic and its impact on communities. Dr. Punithavathi played a pivotal role in delivering key messages about the importance of awareness, early detection, and prevention. Her insights provided a valuable perspective on the current state of HIV/AIDS and the significance of individual and collective responsibility in curbing its spread.

The engagement with students served as an opportunity to address misconceptions, promote safe practices, and encourage regular health check-ups. The program highlighted preventive measures, including the importance of safe practices, regular testing, and the destigmatization of HIV/AIDS.

Beyond the dissemination of information, the event aimed to create a supportive environment for open dialogue and discussion about HIV/AIDS. By fostering awareness and dispelling myths, the Red Ribbon Club contributed to reducing the stigma associated with the disease, thereby promoting a more informed and compassionate community.

In conclusion, the World AIDS Day Awareness Program organized by the Red Ribbon Club, in collaboration with Dr. Punithavathi, played a crucial role in empowering students with knowledge about HIV/AIDS and instilling a sense of responsibility in preventing its transmission. This event not only contributed to community health but also exemplified the club's commitment to addressing critical public health issues through education and awareness.

RED RIBBON CLUB

Tuberculosis Awareness Program- Report

On December 2, 2022, the Red Ribbon Club (RRC) organized a significant Awareness Program focused on Tuberculosis (TB) in collaboration with Mr. Ravichandran, DPPMC, Vellore Region and Mr. Jayachandiran from the Government Hospital in Vaniyambadi. This initiative aimed to impart essential knowledge about TB, its transmission, and preventive measures, reinforcing the club's commitment to community health.

During the program, the experts, Mr. Ravichandran, and Mr. Jayachandiran, provided insightful information on the spread of TB and elucidated crucial measures to safeguard against it. The audience, consisting of students and possibly members of the general public, benefited from a comprehensive understanding of the modes of TB transmission, emphasizing the importance of awareness and prevention.

One of the key highlights of the session was the explanation of the duration of TB treatment. The healthcare professionals clarified the duration for which medication should be consistently taken in the event of a TB diagnosis. This information is critical for ensuring the effectiveness of treatment and preventing the development of drug-resistant strains.

The Awareness Program not only focused on disseminating information but also created a platform for open dialogue and discussion. Attendees had the opportunity to pose questions and seek clarification, fostering a more informed and engaged community. By addressing misconceptions and promoting understanding, the RRC contributed to reducing the stigma associated with TB and encouraging timely and appropriate responses to its prevention and treatment.

In summary, the RRC's TB Awareness Program, facilitated by experts from the Government Hospital, played a crucial role in educating the community about the nuances of TB, emphasizing preventive measures, and offering practical guidance on treatment. This initiative aligns with the broader mission of the Red Ribbon Club to empower communities through health education and awareness.

ENGLISH**

02.10.2022

REPORT ON COMMUNITY SERVICE PROGRAM

PG& Research Department of English organized a "community service Program" for the students of final UG to create awareness about the importance of Humanity.

Around 20 students were taken to the pappaneri village near Alangayam for a week (17.10.2022 to 26.10.2022), which is at the distance of six km from college. Students were taken in college bus at 10am and were returned at 12:30 am. Two students as a pair chosen four houses for supervision and they taught those people about the importance of humanity, English Alphabets, Basic Maths, Community cleanliness, Hygiene, Importance of Health, How to put signature and How to fill bank Challan. The people of pappaneri village were respectful and enthusiastic which made the students to take more interest in teaching them.

Day 1:(17.10.2022)

1. Students took survey and analyzed the facilities that can be provided to the people of the village for their betterment.
