INTERNAL QUALITY ASSURANCE CELL

Report - Women Empowerment Program on

Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources

The Internal Quality Assurance Cell of Islamiyah Women's Arts and Science College organized a Faculty Development Program on Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources with Ms. Parveen Papa, Philanthropist and Director, HR, Huma Specialists Hospital and Research Centre, Chennai and Ms. Shereen Sultana, Social Activist and Reformer, Chennai, as resource persons on 1.3.23 between 12.00 p.m. and 1.30 p.m. with over 90 faculty members in attendance in the Seminar hall.

The Principal, Dr. M. Renu, addressing the faculty members stressed upon the need for sensitizing the students towards their rights as women living in a deeply conflicted society that is theoretically matriarchal and practically steeped in radical patriarchy. She felt that irrespective of caste, religion or background, every woman should be able to look beyond this fog at the bigger picture and determine for herself her role, strength and the opportunities available to her and how best she can make use of those opportunities to empower herself.

The widely renowned philanthropist, Ms. Parveen Papa, with several decades of experience working for the cause of Women empowerment – social, financial and economic – presented a well- documented argument about the scarcity of awareness in the face of education and knowledge influx. Women being unaware or being only partially aware of their rights has been the core reason for their exploitation. She insists that women should not only be empowered to be financially independent but should also be taught to protect their assets and their selves in their public and private space.

PG & RESEARCH DEPARTMENT OF COMMERCE

CAREER GUIDANCE PROGRAM

The PG & Research Department of Commerce organized a Career Guidance Program on the 22nd of May 2023 in the Seminar Hall. The primary objective was to provide students with insights into various career opportunities within the field of commerce. Dr. M. Renu, the Principal of the institution, served as the distinguished resource person for the program.

The program began with an inaugural address that set a positive tone, welcoming students from different academic levels and emphasizing the significance of the event.

Following the opening, Dr. M. Renu delivered a comprehensive presentation covering emerging trends, market demands, and the importance of aligning skills and interests with chosen career paths. Students gained valuable perspectives on navigating the dynamic landscape of commerce.

A dynamic question and answer session followed, with students actively participating and seeking advice on educational paths, skill development, and industry expectations. The Principal's responses provided practical insights, offering students a clearer understanding of potential career trajectories.

The Career Guidance Program concluded successfully, leaving attendees equipped with valuable information to make informed decisions about their future careers. The guidance provided by Dr. M. Renu significantly contributed to the overall success of the event.

The success of the program was made possible through the dedicated efforts of the organizing committee, faculty members, and the active participation of students. Special gratitude is extended to Dr. M. Renu for her insightful presentation and guidance.

The Commerce Department at the institution remains committed to organizing such informative events, empowering students in their academic and professional journeys.
