Respected Sir,

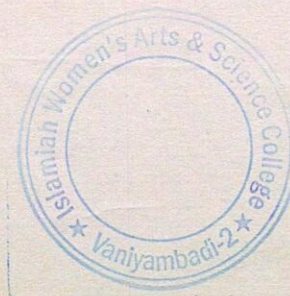

Sub:- Requisition for Transport facility – Jarapandai, Mandarakuttai – Reg.

I wish to bring to your kind notice that Islamiah Women's Arts & Science College has adopted few villages under "UNNAT BHARAT ABHIYAN". As per observation done on the villages, it is found that few villages lack transport facility, which affects students education and Residents of the villages cannot easily commute from one village to other for basic needs. Thus I kindly request you to consider our representation favourably and provide transport facility for the following places –Jarapandai, Mandarakuttai which will be highly beneficial to the residents of the villages.

Thanking you

With Regards

(Dr.M.Renu)

AWARENESS PROGRAMME – PERSONAL HYGIENE (2021-2022)

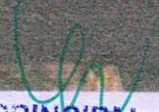

The Unnat Bharat Abhiyan conducted Awareness Programme – Personal Hygiene on 18.12.2021 from 9:30 am to 2:30 pm in the Govt primary school at Mandarakuttai village. The Programme was hosted by Vijayalakshmi III IDD. The program started with Prayer recitation by Rufaida Harmain III IDD. Ms.S.Nagasudha UBA coordinator and Staff Sathya gave their Presidential address. Eighteen volunteer students were formed into groups and gave awareness about Personal Hygiene. Students showcased videos, crafted chart and Model related to personal hygiene. The Government school students were very well mannered they observed the videos and chart works thoroughly. IDD Students distributed stationary essentials and snacks to the students along with the charts prepared. The Awareness programme ended with the National Anthem.

UNNAT BHARAT ABHIYAN

REPORT

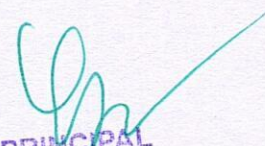

AWARENESS PROGRAMME ON WATER CONSERVATION AND RAIN WATER HARVESTING

The Unnat Bharat Abhiyan organized an Awareness Program on Water Conservation and Rainwater Harvesting in Nekundhi village on September 7, 2019. A total of 57 volunteers actively participated in the program, demonstrating their commitment to environmental sustainability. The event commenced with a prayer, followed by the students singing Tamil Thai Vazhthu, fostering a sense of unity and cultural pride. A knowledgeable resource person enlightened the audience about the importance of rainwater harvesting techniques and emphasized the significance of tree plantation for environmental conservation. Tree saplings were distributed among the villagers, and a tree plantation drive was organized to encourage active participation and community engagement. Furthermore, to promote eco-friendly practices, Jute bags were provided to the villagers as an alternative to plastic bags, enhancing environmental awareness and encouraging sustainable living practices. Overall, the program succeeded in raising awareness and empowering the community to take proactive steps towards water conservation and environmental protection.
