UNNAT BHARAT ABHIYAN

REPORT

AWARENESS PROGRAMME ON WATER CONSERVATION AND RAIN WATER HARVESTING

The Unnat Bharat Abhiyan organized an Awareness Program on Water Conservation and Rainwater Harvesting in Nekundhi village on September 7, 2019. A total of 57 volunteers actively participated in the program, demonstrating their commitment to environmental sustainability. The event commenced with a prayer, followed by the students singing Tamil Thai Vazhthu, fostering a sense of unity and cultural pride. A knowledgeable resource person enlightened the audience about the importance of rainwater harvesting techniques and emphasized the significance of tree plantation for environmental conservation. Tree saplings were distributed among the villagers, and a tree plantation drive was organized to encourage active participation and community engagement. Furthermore, to promote eco-friendly practices, Jute bags were provided to the villagers as an alternative to plastic bags, enhancing environmental awareness and encouraging sustainable living practices. Overall, the program succeeded in raising awareness and empowering the community to take proactive steps towards water conservation and environmental protection.
