## DEMO SESSION ON ENGLISH LANGUAGE LAB REPORT

Modern Technology plays an integral role in every field no matter whether it is technical concept or non technical. Digitization has made a deep impact even in the field of pedagogy. It is advanced to such an extent that it has successfully taken the role of a teacher.

**Mr.D.Elangovan, Manager of Thaliyola Infotech Pvt, Ltd**, visited to our institution on 22.01.2020 with the proposal of Online Teaching Of English Language. He gave an elaborate presentation on the use of technology like '**Digital Linguistic Mentor(DLM)**', a revolutionary software-driven language learning laboratory that blends the time tested methodologies with interactive technology, deliver a superb teaching learning experience. The methodology is based on LSRW- Listening, Speaking, Reading, Writing in tandem with appropriate learning materials which will enables the students to learn the language with the help of programmed multiple operating system. The software is so designed that it will make the learning process interactive and enjoyable. He further emphasized that this DLM software will be undoubtedly effective evaluation tool for the mentor and an efficient boon for the mentee as well. Around **413 students** were participated and got benefited.
