PROFILE

I am an Advocate by Profession and Social Activist by Passion.

I have completed Law, Under-graduation and Post-graduation from Ambedkar Law College, Chennai. I have also completed MA Sociology from Azhagappa University.

I work with the underprivileged socially backward class of the society and Caste and religious minorities. I am a Public speaker, Activist voicing for Social Equilibrium. I have been honoured and awarded from many prestigious organisations for being the first woman in India to attain a No Caste and No Religion Certificate from the Government of India.

It all began when my parents decided to raise their children with no caste or religious identity. We are three daughters. Our parents named us Sneha, Mumtaj and Jenifer. A Hindu, Muslim and Christian name respectively. They taught us that Humanity is the supreme religion. We grew up propagating this idea every time we said our name. Our parents also officially abstained from mentioning caste and religious identity in our certificates too. This made me dream about a casteless society.

The fight for the socially depressed and to stand by the religious and caste minorities has become my Identity. My way of life.

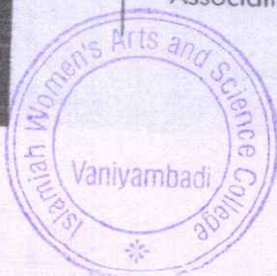

Once I asked myself a very important Question.. If India can be secular, why cant an Indian be? My fight started there and 10yrs later I found that I can be. I become the Government certified first secular citizen of India.

It created ripples. The impact of my new identity quickly become a national sensation. More and more people came forward to create a better society by shredding their caste and religious identity. A beginning in attaining social equilibrium in a typically caste deprived indian society. I desire to create a better future for our generations with peace and harmony.

EXPERIENCE

INTERNAL QUALITY ASSURANCE CELL

Report - Women Empowerment Program on

Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources

The Internal Quality Assurance Cell of Islamiah Women's Arts and Science College organized a Faculty Development Program on Self, Mutual and Societal Scope for Women's Empowerment – Opportunities and Resources with Ms. Parveen Papa, Philanthropist and Director, HR, Huma Specialists Hospital and Research Centre, Chennai and Ms. Shereen Sultana, Social Activist and Reformer, Chennai, as resource persons on 1.3.23 between 12.00 p.m. and 1.30 p.m. with over 90 faculty members in attendance in the Seminar hall.

The Principal, Dr. M. Renu, addressing the faculty members stressed upon the need for sensitizing the students towards their rights as women living in a deeply conflicted society that is theoretically matriarchal and practically steeped in radical patriarchy. She felt that irrespective of caste, religion or background, every woman should be able to look beyond this fog at the bigger picture and determine for herself her role, strength and the opportunities available to her and how best she can make use of those opportunities to empower herself.

The widely renowned philanthropist, Ms. Parveen Papa, with several decades of experience working for the cause of Women empowerment – social, financial and economic – presented a well- documented argument about the scarcity of awareness in the face of education and knowledge influx. Women being unaware or being only partially aware of their rights has been the core reason for their exploitation. She insists that women should not only be empowered to be financially independent but should also be taught to protect their assets and their selves in their public and private space.

CYBER CRIME

REPORT

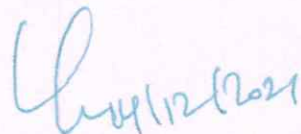

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized an Awareness program on CYBER CRIME with Ms. Prema, Inspector of Police, Crime Branch Officer, Tirupattur as resource person on 14.12.21 at 10.30 a.m. in the seminar hall.

The program opened with a prayer by a student of III B.Com. with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal opened the session with an introductory talk on how essential it was for every woman to have adequate education and a certain amount of financial independence. She said that it was imperative that every person, whether it be a man or a woman should be able to feel secure and only then this pursuit of knowledge can be taken up seriously. Protecting oneself against unsavory individuals in real life, she says, is much easier than in the virtual world.

Ms. Prema, speaking of various kinds of crimes committed against innocent victims, persuaded the students to safeguard themselves especially against those that overtly pose no great threat but are far more lethal because the way they leave little trace or evidence behind. The resource person gave real time examples of cases they have handled ranging from email/ social media/ banking frauds, spyware, identity theft etc., and gave viable precautions one can take to protect themselves from becoming a victim of such attacks.

All the final year students of all the departments took part in the program and benefitted greatly from the information dispensed by the resource person. The questions posed by the audience were satisfactorily answered by the resource person.

WOMENS' DAY AWARENESS PROGRAM on GENDER EQUITY

EQUAL IS NOT ENOUGH

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Women's day Awareness program on Gender Equity - EQUAL IS NOT ENOUGH with Ms. Shaista Rafat, Member, Central Advisory Committee, JIH, Women's Wing, General Secretary, The Women Education and Empowerment Trust, TWEET, New Delhi and Ms. Rizwana Shakil, Journalist and Social activist, Vaniyambadi as resource persons on 08.03.22 at 11.00 a.m. in the auditorium.

The program commenced with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She began the session with the question of rights and duties of both men and women *and how each should be made to take responsibility for their actions affecting the other.*

Ms. Shaista Rafat, spoke on the essence of equity since men and women can NOT be considered as equals, there can be no question of equality between them. Based on our biological and cultural constraints, our economic, financial and societal roles are manipulated by the powers that be. Again, our roles may not be what is defined by another, nevertheless, they still need to be viable and within boundaries of decency and decorum for both men and women. Ms. Rizwana Shakil agreed that for a peaceful, harmonious and mutually progressive and productive environment to form, both men and women, rather than accuse and pull one another down can lend a hand to lift each other up.

Final year students of all the departments actively and enthusiastically participated in the program with several students speaking of their experiences and sharing their dreams of achieving something great despite all odds in their lives.

PERSONALITY DEVELOPMENT PROGRAM

REPORT -05.04.22

The Internal Quality-Assurance Cell of Islamiyah Women's Arts & Science College organized a Personality Development Program with Ms. Zuha Thaqdees P, Nuraniah & Quran (Hifz) Teacher, Preston International College, Chennai and Mr. Aatur Rahman, Business Development Manager, Dubai, as resource persons on 05.04.22 at 11.00 a.m. in the seminar hall.

The program began with a prayer by a student of III B.A. English with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. She spoke about the essential requirements of a well-developed personality for a candidate seeking gainful employment.

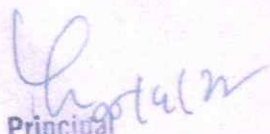

Ms. Zuha Thaqdees spoke on 'Humanitarianism – An Ideology or Belief?' in which she expounded the virtue of the attributes of a person practicing humanitarianism. She insists that world requires people caring about collective welfare of the mankind rather than a select group or section of people they identify with. She believes that social reform or any kind of growth and progress is possible only when we stop being selfish. Humanity, impartiality, neutrality, independence, voluntary service, unity and universality are essential component of a humane society.

Mr. Aatur Rahman's talk centered on 'Employment Training' and his presentation focused on the challenges faced by a fresh graduate in the job market. He disabused many of the myths trending on traditional modes and the modern methods of employment. His argument was supplemented with well researched data about the average employability of a person content with subject specific knowledge versus a person who does not hesitate taking up new roles and tasks learning better and more each day through the obstacles and hurdles she faces turning them into lessons that help her grow as a person and an asset for any organization she is hired into.

Final year students of all the departments benefitted from the lectures and got to understand that the aptitude for learning should be cultivated while not denying the responsibility one is entrusted with for the fellow beings. One cannot progress alone should be the keyword.

WOMEN'S DAY AWARENESS PROGRAM

E-DEFENSE FOR WOMEN

REPORT

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College in organized a Women's Day awareness program on E-DEFENSE FOR WOMEN on 08.03.2021 at 11.00 a.m in the seminar hall. Close to 600 students and staff members participated in this awareness program. The Program began with the recitation of verses from the Holy Quran with its English & Tamil translations. Ms. JAYALAKSHMI B, Inspector of Police, All Women's Police Station, Vaniyambadi, was the resource person for the occasion.

Delivering the Presidential address, Dr. M. Renu, Principal, IWASC commented upon the numerous instances where women, despite being skilled and educated are reticent for the fear of facing uncomfortable situations. The key to overcoming such fear is not 'hiding' but strengthening oneself against all such eventualities.

The Inspector shared with the students her own journey from being a fearful girl to a strong woman police officer. It is okay to be afraid, she said. But it is not okay to allow that fear to rule one's life choices. It is all about how one deals with his/her fears that makes them a coward or a brave individual.

She spoke about the KAVALAN App devised by the Tamil Nadu Police that tracks every place a woman travels to and in case of dangerous situations a mere shake of the phone would send signal to the control room of the nearest Police station from where help would arrive within the shortest duration possible.

Besides depending on the gadgets and modern technology, Ms. Jayalakshmi encouraged students to develop their self-confidence so as to be capable of facing bullies, molesters, frauds who mislead innocent women etc., A woman who is aware of her surroundings, she felt, was a safe woman.

The enthusiasm of the students was palpable and Inspector's suggestions was met with conviction and grateful acceptance. The session came to an end with an oath to protect and progress, a vote of thanks and National Anthem.
