**PG DEPARTMENT OF COMPUTER SCIENCE**

**Academic Year – 2024 – 2025**

**TOPIC OF THE EVENT: International Webinar on**

**Exploring Career Paths in IT**

**DATE: 29th July, 2024**                    **VENUE: Seminar Hall**

PG Department of Computer Science hosted an International Webinar titled "Exploring Career Paths in IT" on July 29, 2024. The event began with the recitation of the Holy Quran and Thamizh Thai Vazthu, followed by a welcome address from Ms. Salma, Head of the PG Department, highlighting the importance of career exploration in IT. The Chief Guest, Mr. Shaheedul Islam, IT Analyst at Infosys, Brussels, delivered a keynote address. Dr. M. Renu, Principal, emphasized the relevance of the discussion for students. The event, attended by 85 participants, concluded with a vote of thanks and the National Anthem.

**TOPIC OF THE EVENT: Valedictory Function and Seminar on Importance of Higher Education**

**DATE: 24ᵗʰ April, 2024**                **VENUE: Seminar Hall**

PG Department of Computer Science organized a Valedictory Function and Seminar on "The Importance of Higher Education" on April 24, 2024, from 10:00 a.m. to 01:00 p.m. The event began with the recitation of the Holy Quran and Thamizh Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department. The Chief Guest, Dr. M. Renu, Principal of Islamiah Women's Arts & Science College, delivered an insightful speech on the value of higher education in shaping personal and professional success. The event, attended by 130 participants concluded with a vote of thanks by Ms. J. Jayadurga, faculty of CS and the National Anthem, fostering unity among attendees.

**TOPIC OF THE EVENT: National Level Seminar on "How to get a job in FAANG and Startup"**

**DATE: 11ᵗʰ March, 2024          VENUE: Seminar Hall**

PG Department of Computer Science organized a National Level Seminar on "How to Get a Job in FAANG & Startups" on March 11, 2024, from 12:00 p.m. to 02:00 p.m. The event began with the recitation of the Holy Quran and Thamizh Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department. The Chief Guest, Mr. Swastik Pradhan, a Web Developer at Swiggy, Bengaluru, shared valuable insights into securing jobs at FAANG companies and startups, focusing on recruitment processes, skill requirements, and industry expectations. The seminar, attended by 44 participants, concluded with a vote of thanks and the National Anthem, with enthusiastic participation from students and faculty.

**TOPIC OF THE EVENT: Safer Internet Day Celebration**

**DATE: 08th February, 2024          VENUE: Computer Lab**

   PG Department of Computer Science celebrated Safer Internet Day on February 8, 2024, with a program from 10:00 a.m. to 12:00 p.m. in the Computer Lab. The event opened with the Holy Quran recitation and Thamizh Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department, emphasizing the importance of internet safety. Students presented topics on online security, privacy, and digital responsibility. The event concluded with a vote of thanks and the National Anthem, with 44 participants gaining valuable insights on safe internet practices.
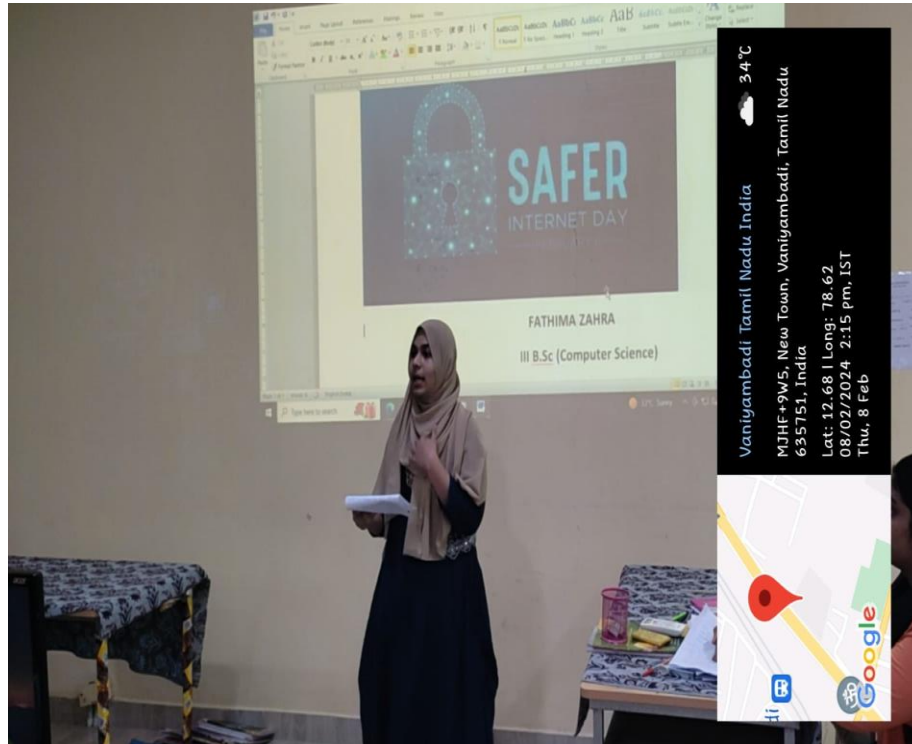

# VALUE ADDED COURSE ON WEB DEVELOPMENT

## DATE: 22nd November, 2023 – 9th February, 2024   VENUE: Seminar Hall

PG Department of Computer Science organized a Value Added Course on "Web Development," affirming its commitment to enhancing students' skill sets. The course ran from November 22, 2023, to February 9, 2024, spanning 45 hours and conducted via Google Meet, accommodating the evolving needs of virtual education. The course was led by Mr. Akash Soni, a Product Manager and Instructional Designer at Crave Digi Advisors, Bangalore. His expertise enriched the learning experience for the students. Notably, this initiative was made possible through a Memorandum of Understanding (MOU) with TechLang Company, which provided essential resources and support for the course.The program engaged 47 final-year B.Sc. (CS) students, allowing them to delve into the intricacies of web development.

# CERTIFICATE COURSE ON ASP.NET

**DATE: 22nd November, 2023 – 4th December, 2023**

**VENUE: Computer Lab**

PG Department of Computer Science successfully organized a Certificate Course on "ASP.NET" from November 22 to December 4, 2023. The course took place in the Computer Lab and was aimed at equipping students with essential skills in ASP.NET, a widely-used web development framework. Under the guidance of Ms. Salma, the Head of the PG Department of CS, along with resource persons Ms. Takasdis Nida and Ms. Jayadurga, faculty of CS the course provided comprehensive insights into building dynamic and interactive web applications. The hands-on sessions facilitated the development of proficiency in web development using ASP.NET. Through these sessions, participants gained valuable expertise in leveraging ASP.NET for building robust and scalable web solutions. A total of 47 final-year B.Sc. (CS) students actively participated, successfully completing the course.
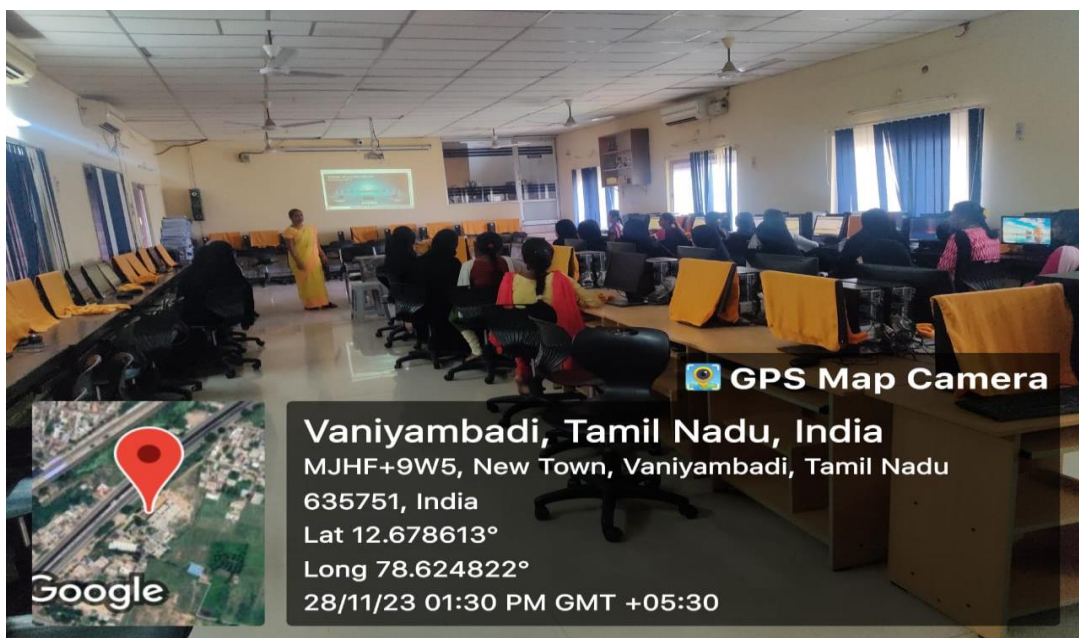

**TOPIC OF THE EVENT: Two Days Workshop on Advance Excel**

**DATE: 03rd and 04th August 2023          VENUE: Computer Lab**

PG Department of Computer Science hosted a workshop on "Advance Excel for Data Analysis" on August 3rd and 4th, 2023, in the Computer Lab from 09:30 a.m. to 02:40 p.m. each day. The event opened with the Holy Quran recitation and Thamizh Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department. The Chief Guest, Mr. M.A. Saburuddin, a Microsoft Certified Trainer, provided valuable insights into advanced Excel functionalities. Dr. M. Renu, the Principal, highlighted the importance of advanced Excel skills. The workshop, attended by 60 participants, concluded with a vote of thanks by Ms. Deepthi and the National Anthem.

**TOPIC OF THE EVENT: Valedictory Function – Zeal Utsav**

**DATE: 17ᵗʰ May, 2023**                    **VENUE: Seminar Hall**

PG Department of Computer Science organized Valedictory Function on Zeal Utsav, held on 17th May 2023, from 10:30 a.m. to 1:30 p.m., with 151 participants. The event began with a recitation of the Holy Quran and Thamizh Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department, and a Presidential Address by Dr. M. Renu, Principal. The function included the felicitation of the Chief Guest and a prize distribution ceremony. Participants appreciated the speeches, interactive sessions, and event organization, though suggestions were made to shorten the duration and include more workshops. Overall, the event was a success, celebrating achievements and offering valuable insights.

**TOPIC OF THE EVENT: Seminar on Build your Confidence and Sell your talent with Zeal and Intercollegiate Competition "Techieez'23"**

**DATE: 17ᵗʰ March, 2023**                    **VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized a seminar titled "Build your Confidence & Sell your Talent with Zeal" alongside the intercollegiate competition "Techiezz 23" on March 17, 2023. The event, held from 9:00 a.m. to 4:30 p.m., began with a welcome address by Ms. A. Salma, Head of the Department. Chief Guest Mr. U. Md. Waseem Bari, a motivational speaker and educator, delivered an inspiring speech on building confidence and showcasing talent. Following the seminar, intercollegiate competitions like paper presentations, web designing, and quizzes were held, with Don Bosco College winning the overall championship. The event concluded successfully with 138 participants, fostering confidence and showcasing talent.

**TOPIC OF THE EVENT: 3 – Days online Workshop – Python Bootcamp and Career Guidance Program**

**DATE: 09th March, 2023 to 11th March, 2023          VENUE: Seminar Hall**

PG Department of Computer Science and the Department of Computer Applications organized a three-day online workshop titled "Python Bootcamp and Career Guidance Program" from March 9th to 11th, 2023. The event began with a welcome address by Ms. A. Salma, Head of the Department, setting a positive tone, followed by an introduction to the Chief Guest, Ms. Dharna Ahuja, an expert in Python and career guidance. Dr. M. Renu, Principal, emphasized the importance of Python and career planning. Ms. Ahuja's sessions were engaging and insightful, offering both technical knowledge and career advice. The workshop had 100 participants and was well-received for its practical insights and guidance.

**TOPIC OF THE EVENT: National Level Science Exhibition – "Mobile Space on Wheel Bus – Science Expo 2023"**

**DATE: 24ᵗʰ January, 2023**          **VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized a National Level Science Exhibition titled "Mobile Space on Wheel Bus Science Expo 2023" on January 24, 2023, from 9:00 a.m. to 5:00 p.m. The event began with the recitation of the Holy Quran and Tamil Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department. The Chief Guest, Mr. Srinivas H.L. from ISRO, shared insights on advancements in space technology. The exhibition featured various science projects and innovations. With 113 students actively involved, the event concluded with the National Anthem and was deemed a great success in fostering scientific curiosity and innovation.
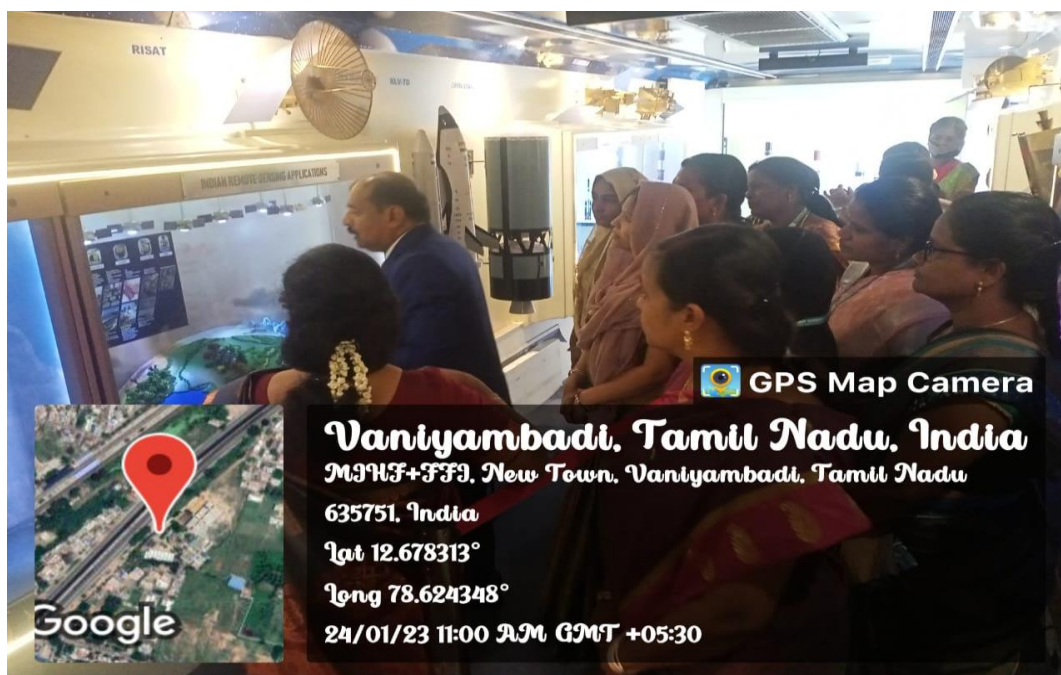

**TOPIC OF THE EVENT: Seminar on Research Methodologies in Computer Science**

**DATE: 18th October, 2022**          **VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized a seminar on "Research Methodologies in Computer Science" on October 18th, 2022. The event featured a welcome address by Ms. C. Yasmeen, faculty of CS, and an introduction of the Chief Guest, Dr. M. Duraisamy, by Ms. A. Salma, Head of the Department. Dr. M. Duraisamy delivered an insightful lecture on research methodologies, offering valuable guidance for students. Dr. M. Renu, Principal, highlighted the importance of strong research practices in computer science. The seminar concluded with a vote of thanks and saw participation from 113 students, who gained a deeper understanding of research processes.
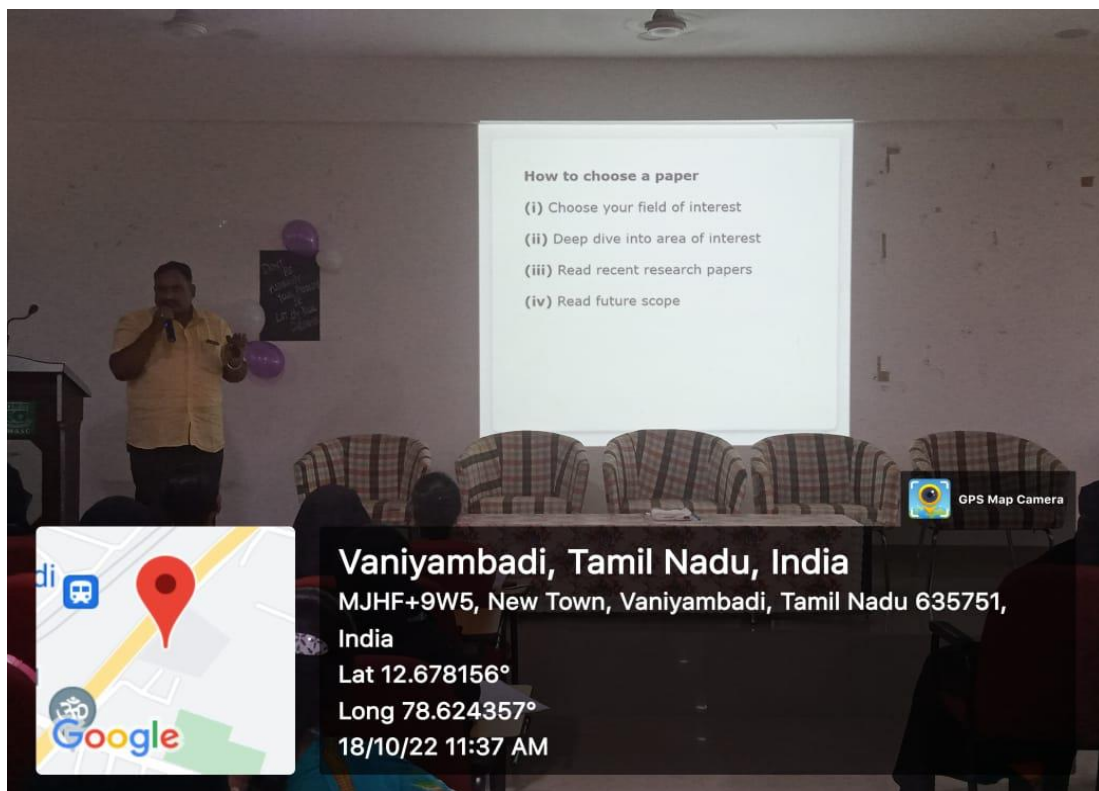

**TOPIC OF THE EVENT: Setting Goals and Priorities**

**DATE: 30th September, 2022**                    **VENUE: Seminar Hall**

On September 30, 2022, the PG Department of Computer Science and the Department of Computer Applications organized a seminar on "Setting Goals and Priorities," attended by 372 participants. The event began with the recitation of the Holy Quran and the Tamil Thai Vazhthu, followed by a welcome address from Ms. A. Salma, Head of the Department. The Chief Guest, Ms. K. Sivapriya, IT Director at Redback IT Solutions Pvt Limited, delivered an insightful session on effective goal-setting and prioritization, drawing from her extensive industry experience. The seminar concluded with a vote of thanks and the National Anthem, leaving attendees with practical strategies for personal and professional growth.

**TOPIC OF THE EVENT: Valedictory Function**

**Importance of Higher Education**

**DATE:  18th June, 2022                 VENUE: Seminar Hall**

Valedictory Function, held on June 18, 2022, by the PG Department of Computer Science, was attended by 66 participants from 10:00 am to 12:00 pm. The event started with the Holy Quran recitation by Ms. Fariya Maryam, III B.Sc CS and the Tamil Thai Vazhthu. Ms.Nivetha, faculty of CS welcomed attendees, and    Ms. A. Salma, Head of the Department  introduced Chief Guest Dr. M. Duraisamy. Dr. M. Renu, Principal, emphasized the significance of the occasion in her Presidential Address. Dr. Duraisamy highlighted the role of higher education in personal and professional growth. The function included MIME and Adzap performances, prize distributions, and concluded with a vote of thanks and the National Anthem. The event was praised for its organization and meaningful celebration of achievements.
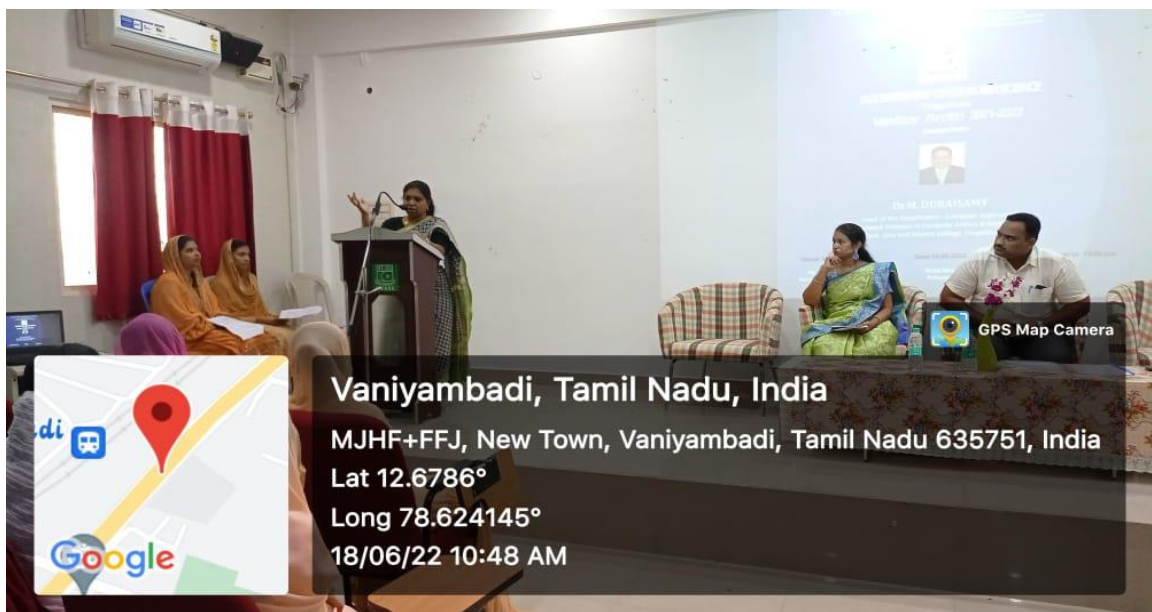

**TOPIC OF THE EVENT: Seminar on Artificial Intelligence**

**DATE: 19th May, 2022**          **VENUE: Seminar Hall**

On May 19, 2022, PG Department of Computer Science and the Department of Computer Applications organized a seminar on Artificial Intelligence, held from 10:00 am to 12:00 pm with 121 participants. The event commenced with a Quran recitation by Ms. C. Yasmeen, faculty of CS and the Tamil Thai Vazhthu. Ms. T. Aruna, Head, Department of Computer Applications gave the welcome address, and Dr. M. Renu, Principal delivered the Presidential Address, stressing AI's significance. Chief Guest Dr. T. Mythili provided valuable insights into AI advancements and applications. The seminar ended with a vote of thanks by Ms. Nilofar, faculty of Computer Applications and the National Anthem. The event was praised for its informative content and effective organization.

**TOPIC OF THE EVENT: Workshop on Data Visualization and Interactive Dashboard Creation**

**DATE:  31st March, 2022**                    **VENUE: Seminar Hall**

On March 31, 2022, PG Department of Computer Science and the Department of Computer Applications hosted a seminar on "Data Visualization and Interactive Dashboard Creation," attended by 121 participants. The event began with the recitation of the Holy Quran and the Tamil Thai Vazhthu, followed by a welcome address by Ms. C. Firza Afreen, faculty of Computer Applications,   Ms. A. Salma, HOD, PG Department of Computer Science introduced the Chief Guest, Dr. K. Ganesan, Chairperson of VIT Business School, who delivered an insightful presentation on the latest trends in data visualization and dashboard creation. The seminar concluded with a vote of thanks by Ms. Nivetha, faculty of CS and the National Anthem. The seminar was praised for its effective organization and the clarity of its content.

**TOPIC OF THE EVENT: Seminar on Virtual Reality & Augmented Reality**

**DATE:  26th March, 2022                    VENUE: Seminar Hall**

On March 26, 2022, PG Department of Computer Science and the Department of Computer Applications hosted a seminar on Virtual Reality (VR) and Augmented Reality (AR) from 10:30 am to 12:30 pm, attended by 121 participants. The event started with a Quran recitation by Ms. Firza Afreen, faculty of CS and a welcome address by Ms. A. Salma, HOD of Computer Science. Dr. M. Renu, the Principal, delivered the Presidential Address on the importance of VR and AR technologies. The Chief Guest, Dr. J. Nafeesa Begum, provided valuable insights into recent advancements in VR and AR. The seminar concluded with a vote of thanks by Ms. Nivetha, faculty of CS and the National Anthem. The event was well-received, providing significant professional development and engaging content.

**TOPIC OF THE EVENT: Seminar on Importance of Pilot Study in Research**

**DATE:  09th March, 2022                    VENUE: Seminar Hall**

On March 9, 2022, the PG Department of Computer Science organized a seminar on "Importance of Pilot Study in Research," attended by 101 participants. The event began with the recitation of the Holy Quran and the Tamil Thai Vazhthu. Ms. A. Salma, Head of the PG Department of Computer Science, welcomed attendees, and Ms. G. Sharmila, faculty of CS introduced the Chief Guest. The Presidential Address was delivered by Ms. S. Aruna, Head of the PG Department of Biochemistry, Dr. M. Renu, Principal, highlighted the critical role of pilot studies in research. The seminar provided valuable insights into the significance of preliminary research studies.

# CERTIFICATE COURSE ON OFFICE AUTOMATION

**DATE: 23rd Feb – 26th Feb 2022, 28th Feb 2022, 1st Mar - 05th Mar 2022**

**VENUE: Computer Lab**

PG Department of Computer Science conducted a 30-hour certificate course on "Office Automation," reflecting its commitment to equipping students with practical skills. The course began following the odd-semester University exams and was led by a team of nine instructors: Ms. Shabeena Begum S, Ms. Aasifa Kouser A, Ms. S. Nilofar Banu, Ms. Nivetha P, Ms. C. Yasmeen, Ms. J. Jayadurga, Ms. Ranjitha, Ms. Priya Kumari, and Ms. Sumathi, faculty of Computer Science and Computer Applications. Throughout the program, participants engaged in hands-on exercises and discussions, bridging the gap between theoretical knowledge and real-world application. The curriculum covered essential topics such as document management, email management, and data analysis. A total of 542 students completed the course and received certificates acknowledging their proficiency in Office Automation.
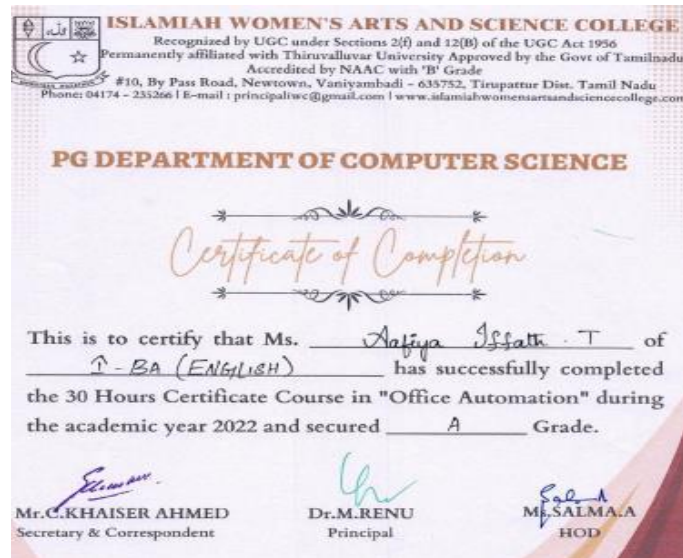

**TOPIC OF THE EVENT: Seminar on Natural Language Processing**

**DATE:  18th December, 2021                    VENUE: Seminar Hall**

On December 18, 2021, PG Department of Computer Science and the Department of Computer Applications organized a seminar on Natural Language Processing from 10:00 am to 12:00 pm. The event began with a Quran recitation by Ms. Uzra Tamkeen, III B.Sc (CS) followed by a welcome address by   Ms. A. Salma, Head of the Department. Dr. M. Renu, the Principal, provided the Presidential Address, emphasizing NLP's importance. Dr. Sharmila Banu from VIT University delivered an insightful keynote on NLP advancements and applications. The seminar, attended by 121 participants, concluded with a vote of thanks by   Ms. Ayesha Farha, III B.Sc (CS) and the National Anthem. The seminar was praised for its organization and valuable content.

**TOPIC OF THE EVENT: Webinar on Cloud Computing**

**DATE:  06th November, 2021**                    **MODE: Online**

On November 6, 2021, PG Department of Computer Science and the Department of Computer Applications hosted a webinar on Cloud Computing via MS-Teams, with 83 participants. The event started with a recitation by Ms. S. Shabeena Begum, faculty of CS and a welcome address by Ms. A. Salma, Head of the Department. Dr. M. Renu, the Principal, highlighted Cloud Computing's significance in his presidential address. The Chief Guest, Mr. C. Edward Satish from Hogarth Worldwide, discussed current trends and advancements. The webinar concluded with a vote of thanks by Ms. Ayesha Farha –III B.Sc (CS) and the National Anthem. Participants praised the event for its relevant content and smooth execution.

**TOPIC OF THE EVENT: Emerging Needs for Cyber Security and Understanding Next-Gen Antivirus**

**DATE:  03rd August, 2020                    MODE: Online**

On August 3, 2020, a webinar titled "Emerging Needs for Cyber Security and Understanding Next-Gen Antivirus" was organized jointly by the PG Department of Computer Science and the Department of Computer Applications on YouTube Live, with 90 participants. The event began with a recitation by Ms. F.A. Rizwana Begum, faculty of Computer Applications and a welcome address by Ms. K. Priya, Head of the Department. Dr. M. Renu, the Principal, delivered the presidential address, and Mr. K. M. Vishaal from the Cyber Security Risk Centre presented on emerging cyber security trends and next-gen antivirus solutions. The webinar concluded with a vote of thanks by Ms. Sharmila, faculty of CS and the National Anthem. The program was praised for its informative content and smooth execution.
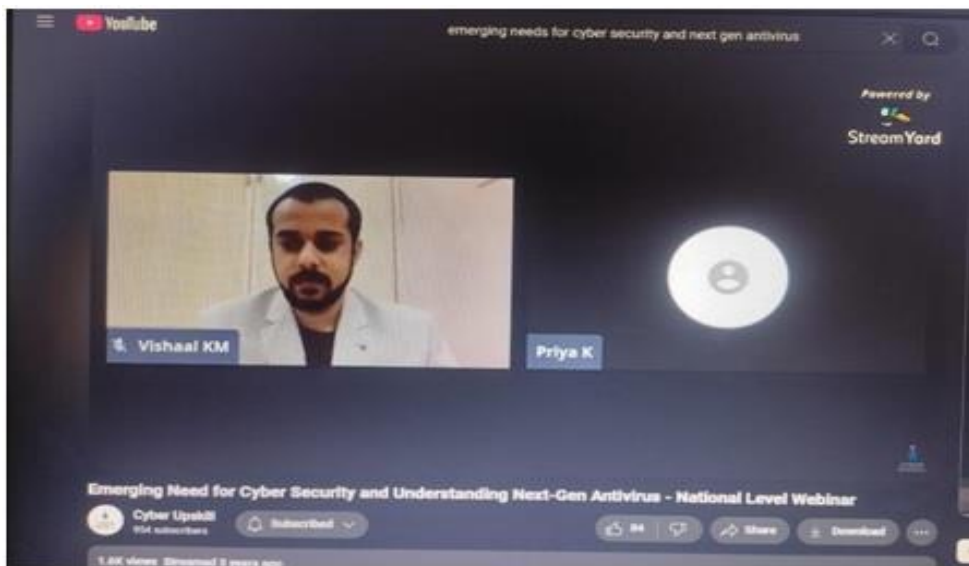

**TOPIC OF THE EVENT: Intellectual Property Rights - A Road Map**

**DATE:  30ᵗʰ July, 2020**                           **MODE: Online**

PG Department of Computer Science and Department of Computer Applications organized Faculty Development Program on "Intellectual Property Rights - A Road Map," held on July 30, 2020, via Zoom, was attended by 150 participants. The event featured a recitation by Ms. C. Yasmeen, faculty of CS and a welcome address by Ms. K. Priya, Head of the Department. Dr. M. Renu, Principal delivered the presidential address, and Dr. K.K. Baseer, IPR Cell Coordinator, provided an insightful presentation on intellectual property rights. The program concluded with a vote of thanks by Ms. Sangeetha, faculty of CS and the National Anthem. Participants praised the event for its comprehensive coverage of IPR and its smooth execution.

**TOPIC OF THE EVENT: Build Your Future in Machine Learning & Artificial Intelligence**

**DATE:  23rd June, 2020                    MODE: Online**

PG Department of Computer Science and Department of Computer Applications organized Faculty Development Program on "Build Your Future in Machine Learning & Artificial Intelligence" was held on June 23, 2020, via YouTube Live, with 94 participants. The event began with a recitation by Ms. S. Shabeena Begum, faculty of CS and was followed by a welcome address from Ms. K. Priya, Head of the Department and a presidential address by Dr. M. Renu, Principal. Mr. R. Rajkumar, the chief guest, provided insights into Machine Learning and AI. The program concluded with a vote of thanks by Ms. C. Yasmeen, faculty of CS and the National Anthem. The event was praised for its smooth execution and valuable content.

**TOPIC OF THE EVENT: Discover MOODLE Site and Teach with GNOMIO**

**DATE:  20th June, 2020**                                **MODE: Online**

PG Department of Computer Science and Department of Computer Applications organized Faculty Development Programme on "Discover MOODLE Site and Teach with GNOMIO" was held on June 20, 2020, via Goto Meeting with 94 participants. The event began with a welcome address by Ms. K. Priya, HOD, followed by a presidential address by Dr. M. Renu, Principal. Technical sessions were led by resource persons Dr. Vidyaathulasiraman, Prof. K. Sharifa, and Prof. Amudaprabha, covering MOODLE and GNOMIO. The event concluded with a vote of thanks by Ms. G. Sharmila, faculty of CS. Participants praised the program's organization and found the sessions highly practical and valuable for teaching.

**TOPIC OF THE EVENT: Emerging Trends in Data Analytics and Cyber Security**

**DATE: 11ᵗʰ June to 13ᵗʰ June, 2020          MODE: Online**

PG Department of Computer Science and Department of Computer Applications organized a three-day Faculty Development Programme on "Emerging Trends in Data Analytics and Cyber Security" from June 11 to June 13, 2020, via Goto Meeting, with 118 attendees. The event began with a welcome address by Ms. K. Priya, HOD and a presidential address by Dr. M. Renu, Principal. The technical sessions featured Dr. R. Rajkumar from VIT, Mr. Ashwath Raj from Qlik, and Dr. Vidyaathulasiraman from Government Arts & Science College for Women, Bargur. The programme concluded with a vote of thanks by Ms. Jabeen, faculty of CS.
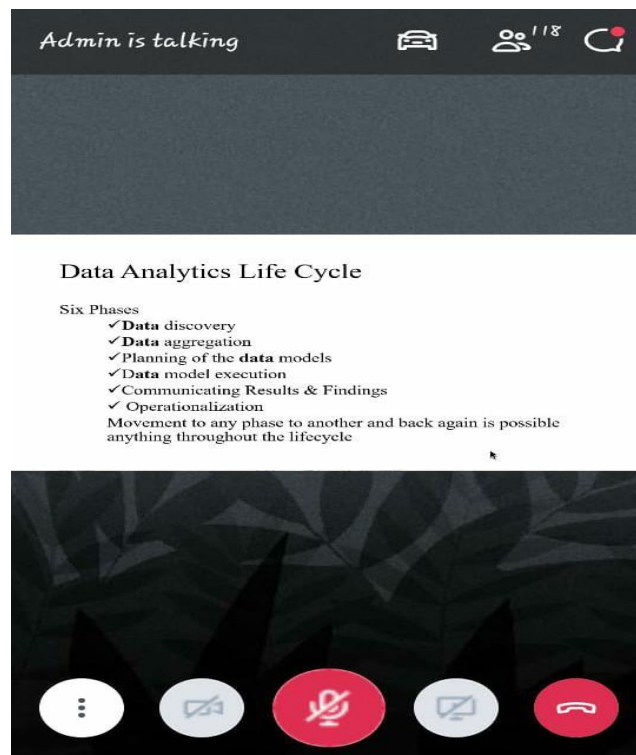

**TOPIC OF THE EVENT: Campus to Corporate**

**DATE:  21st May, 2020**                                    **MODE: Online**

On May 21, 2020, PG Department of Computer Science and the Department of Computer Applications organized a webinar titled "Campus to Corporate" via Cisco Webex with 100 participants. The event began with a welcome address by Ms. K. Priya, HOD, followed by a presidential address from Dr. M. Renu, Principal. The Chief Guest, Mr. G. Subramanian, an HR Functional Consultant, delivered an insightful presentation. The webinar concluded with a vote of thanks by Ms. Shabeen, faculty of CS, ending with the National Anthem. Participants appreciated the smooth organization and valuable insights shared during the session.
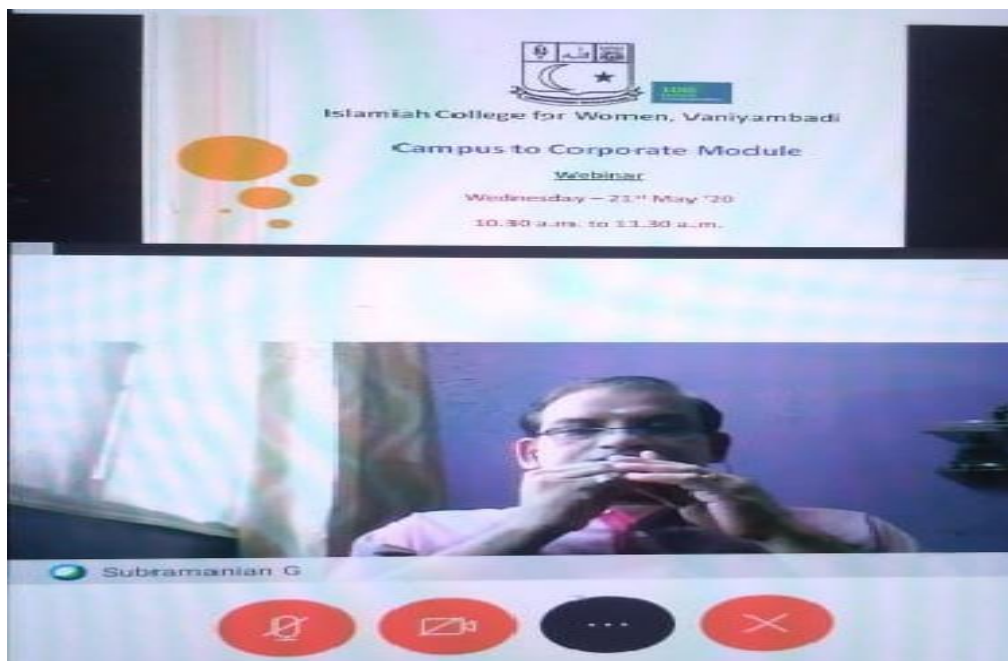

**TOPIC OF THE EVENT: Recent trends in Cooperative Networks for the Collaborative Tomorrow**

**DATE: 23rd September, 2019**                    **VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized an International Conference on Recent Trends in Cooperative Networks on September 23, 2019, attended by 213 participants. The event commenced with a welcome address by Ms. K. Priya, HOD, followed by a presidential address by Dr. Aareifa Basheer Khan. The conference featured two technical sessions, presented by Dr. Christo Ananth from the Kingdom of Bahrain and Dr. T. Mythili from VIT University, offering valuable insights into cooperative networks. The event concluded with a vote of thanks by Ms. Sangeetha, faculty of CS and received positive feedback for its organization and relevance.

**TOPIC OF THE EVENT: Neural Networks**

**DATE:  08ᵗʰ August, 2019**                    **VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized a special lecture on "Neural Networks" on August 8, 2019, attended by 160 participants. The event began with a welcome address by Ms. K. Priya, HOD followed by an engaging lecture by the chief guest, Dr. Selvakani, Head of the Department of Computer Science at Thiruvalluvar University. Dr. Selvakani's presentation offered valuable insights, particularly through practical examples and real-world applications. The seminar concluded with a vote of thanks by Ms. Sangeetha, faculty of CS and participants praised the well-organized and informative session.

**TOPIC OF THE EVENT: Big Data Analytics**

**DATE:  07ᵗʰ August, 2018                    VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized a seminar on Big Data Analytics on August 7, 2018. The event began with a welcome address by Ms. K. Priya, HOD, followed by a presidential address by Dr. R. Akthar Begum, highlighting the importance of Big Data. The chief guest, Dr. S. Selvakani, delivered an insightful presentation on Big Data Analytics, which was well-received by the 106 attendees. The seminar concluded with a vote of thanks by Ms. Shabeen Taj, faculty of CS and the event was praised for its organization and valuable content.

**TOPIC OF THE EVENT: Impact of Semiconductor Materials in Technology**

**DATE:  26th June, 2018               VENUE: Seminar Hall**

PG Department of Computer Science and Department of Computer Applications organized an International Conference on the Impact of Semiconductor Materials in Technology on June 26, 2018. The event began with a welcome address by Ms. K. Priya, HOD. Keynote speech from  Dr. Qhalid Fareed, a renowned power electronics researcher from Dallas, Texas. Dr. Fareed's insightful presentation on high-voltage power electronics was well-received by 106 attendees. The conference concluded with positive feedback, an interactive Q&A session, and a vote of thanks by Ms. Shabeen Taj, faculty of CS.
